# NEIGHBORHOOD STABILIZATION PROGRAM (NSP)

## **Background**

The Neighborhood Stabilization Program (NSP) will provide emergency assistance to state and local governments to acquire and redevelop foreclosed properties that might otherwise become sources of abandonment and blight within their communities. The Neighborhood Stabilization Program provides grants to every state and certain local communities to purchase foreclosed or abandoned homes and to rehabilitate, resell, or redevelop these homes in order to stabilize neighborhoods and stem the decline of house values of neighboring homes. The program is authorized under Title III of the Housing and Economic Recovery Act of 2008.

## **Purpose**

U.S. Housing and Urban Development (HUD) has allocated a total of \$3.92 billion to all states and particularly hard-hit areas trying to respond to the effects of high foreclosures. HUD's new **Neighborhood Stabilization Program (NSP)** will provide targeted emergency assistance to state and local governments to acquire and redevelop foreclosed properties that might otherwise become sources of abandonment and blight within their communities.

The funding is provided through HUD's Community Development Block Grant (CDBG) Program under the Housing and Economic Recovery Act of 2008. These targeted funds will be used to purchase foreclosed homes at a discount and to rehabilitate or redevelop them in order to respond to rising foreclosures and falling home values.

State and local governments can use their neighborhood stabilization grants to acquire land and property; to demolish or rehabilitate abandoned properties; and/or to offer down payment and closing cost assistance to low- to moderate-income homebuyers (household incomes not exceed 120 percent of area median income). In addition, these grantees can create "land banks" to assemble, temporarily manage, and dispose of vacant land for the purpose of stabilizing neighborhoods and encouraging re-use or redevelopment of urban property.

In determining the allocations, HUD followed Congress's direction that grants be targeted to areas based on the number/percent of foreclosures, subprime mortgages and mortgage defaults and delinquencies. HUD took a data driven approach to this process, relying on numerous data sets from government agencies and private sources.

Congress directed that these grant funds be obligated for specific activities within 18 months. This Congressional timetable may present challenges to state and local governments undertaking ambitious, and in some cases unprecedented, acquisition and rehabilitation activities. Meanwhile, HUD is actively encouraging local governments receiving direct grants to coordinate with each other, and with their state governments, to make most effective use of available funds.

The NSP Program also seeks to prevent future foreclosures by requiring housing counseling for families receiving homebuyer assistance. In addition, HUD seeks to protect future homebuyers by requiring States and local grantees to ensure that new homebuyers under this program obtain a mortgage loan from a lender who agrees to comply with sound lending practices.

Based on Oklahoma's Neighborhood Stabilization Plan as submitted to HUD, the State will allocate fifty percent (50%) of the total funds to the NSP Entitlements, thirty percent (30%) (\$8,780,838) to the Balance of State. The remaining twenty percent (20%) of NSP funds will be held for later distribution to eligible NSP Entitlements and Balance of State applicants who have demonstrated the capacity to effectively use all additional requested funds within the remaining NSP timeframe for completion.

## **Eligible Applicants**

ODOC/CD has determined that under *Qualified Areas of Greatest Need*, any recipient of NSP funds must have within its geographic jurisdiction a Census block group with a HUD foreclosure and abandonment risk score of six (6) or higher. HUD has developed a foreclosure and abandonment risk score to assist grantees in targeting the areas of greatest need within their jurisdictions. Census block groups listed as a primarily residential area in which at least 51% of the residents have incomes at or below 120% of area median income were further used as a threshold for qualifying as an Area of Greatest Need. Approximately 1,900 individual block groups met this threshold out of 5,535 statewide. While determining Areas of Greatest Need, ODOC/CD identified two distinct areas of need (CDBG Entitlement & Balance of State). The CDBG Entitlements identified under this were: Edmond, Enid, Lawton, Midwest City, Norman, Oklahoma City, Shawnee, Tulsa, and Tulsa County.

The remaining universe of communities eligible for assistance was identified under 'Balance of State'. These eligible communities are listed on page five (5) of this Request for Proposal. Areas containing less than one (1) Census block group were removed from the Balance of State listing due to such factors as population size and need. Eligible Balance State communities are listed and further broken down by Census tract and block group on Attachment 'A'. Unincorporated Balance of State areas are listed and further broken down by Census tract and block group on Attachment 'B'.

ODOC/CD cannot provide any further assistance to a jurisdiction in determining local areas of greatest need other than providing the eligible Census tract & block group information contained in this Request for Proposal. ODOC/CD considers the ability to further demonstrate area need as a determination of an applicant's capacity.

### **Grant Amount for Balance of State**

Thirty percent (30%) of NSP funds will be distributed to Balance of State based upon proposals from towns, cities, non-profits, and Native American Tribal Organizations, other than CDBG Entitlements. If requests for more than thirty percent (30%) Balance of State funds are submitted, ODOC/CD will determine through a competitive process involving Areas of Greatest Need to determine which proposals will be funded.

ODOC/CD anticipates that the amount of funds that can be requested will vary with area need and demonstrated capacity of the applicant. All proposals must contain eligible activities located in ODOC/CD's targeted areas listed on Attachment A and B. As guidance for potential applicants, ODOC/CD recommends that applicants request funding amounts commensurate with:

- Cost of the project
- Consideration of other applications submitted statewide
- Need of the jurisdiction (HUD Risk Score and subprime lending activities)
- Capacity to carry out the proposed activities in a timely manner

<b>BALANCE OF STATE</b>	<b>TOTAL ODOC ALLOCATION (Rounded to Nearest Dollar)</b>		
<b>TOTAL</b>	<b>\$8,780,838</b>		

ODOC/CD reserves the right to adjust contracted amounts based upon actual performance and progress in order to maximize use of the funds within the initial 18 months of the program. ODOC/CD will evaluate the progress of each of the identified activity areas among Balance of States recipients. NSP funds may be re-allocated by ODOC/CD among the activity areas in response to unacceptable progress in

accomplishing the stated goals and commitment of funds in compliance with NSP requirements. ODOC/CD may identify additional activities, consistent with the needs analysis and eligible uses, and may amend the Program to incorporate such activities if funds can be obligated within the time required.

ODOC/CD will require a timeline and expected outcomes as part of the application submission. After four (4) months from the date of the contract, ODOC/CD will review the progress to date, determine whether the funds are being committed in a timely manner and whether there has been progress against the community's stated goals. Should the community not be meeting standards, ODOC/CD will work with them to improve its performance. ODOC/CD will review performance again after another four (4) months. At that point, if performance standards are not being met, ODOC/CD will suspend further assistance to the community and re-allocate those funds to other activity components.

**Grant Amount for Remainder NSP Funds**

Upon demonstration of additional need, CDBG Balance of State entities and NSP Entitlements may apply for the Remainder of NSP funds, twenty percent (20%), through a COMPETITIVE process. If requests for more than twenty percent (20%) aggregate are submitted, ODOC/CD will determine through a competitive process of determining Areas of Greatest Need and a demonstrated capacity to which proposals will be funded.

## **GENERAL NSP PROGRAM INFORMATION**

### **1. LOW AND MODERATE INCOME REQUIREMENT**

(Housing and Economic Recovery Act §2301(f)(3)(A)(i) and (ii))

#### **Requirements for the use of NSP funds:**

(1) All of the funds made available under this section are to be used with respect to individuals and families whose incomes do not exceed 120% of area median income. *Please note that the 2008 HUD Income Limits have been attached to this application in order to provide further assistance in determining area median income.*

(2) Not less than 25% of these funds are to be used for the purchase and redevelopment of abandoned or foreclosed upon homes or residential properties that will be used to house individuals or families whose incomes do not exceed 50% of area median income.

Note that NSP redefines and supersedes the definition of “low- and moderate-income” of the CDBG program by allowing households whose incomes exceed 80% but are no greater than 120% of area median income to qualify for NSP funds. HUD will refer to this new income group as “middle income,” but continue to use the CDBG definitions of “low-income” and “moderate-income.” HUD will use the term “low-, moderate- and middle-income” (LMMI) to refer to the national objective of the program.

For more information on the 120% of area median income requirement consult <http://www.huduser.org/publications/commdevl/nsp.html>.

#### **Meeting the National Objective:**

NSP allows for the use of *only* the LMMI national objective.

- Activities may NOT qualify under NSP using the “prevent or eliminate slums or blight” or “address urgent community development needs” objectives as allowed in the overall benefit provisions of the HCD Act and the CDBG regulations.
- Note that although NSP changes the low and moderate income requirement level of the CDBG program, the remaining requirements of 24 CFR 570.208(a) and 570.483(b) regarding area benefit, housing, and limited clientele benefit remain unchanged.

#### **Examples of how funds can be used to meet the national objective:**

**Housing Activities:** Providing or improving permanent residential structures that will be occupied by a household whose income is at or below 120% of area median income (LMMH).

- Acquisition, Rehabilitation, Rental, Sale, Conversion, Construction of Housing Units

2008 Neighborhood Stabilization Program (NSP)

Balance of State Application

Page 9 of 24

- Homeownership Assistance
- Infrastructure for housing as part of redevelopment
- All Units must be occupied by those meeting the low- and moderate-income requirement.

**Area Benefit Activities:** Benefiting all the residents of a primarily residential area in which at least 51% of the residents have incomes at or below 120% of area median income (LMMA).

- Grantees must identify the service area of each NSP-funded activity.
- HUD will provide data on the percentage of low-, moderate- and middle income persons, by census tracts and block groups.  
See <http://www.huduser.org/publications/commdevl/nsp.html>
- Demolition, Acquisition, Lank Banks if maintenance and demolition also take place

**Limited Clientele Activities:** Serving a limited clientele whose incomes are at or below 120 % of area median income (LMMC).

- Housing counseling for prospective purchasers/tenants
- Public facilities such as emergency shelters, group homes

**Meeting the 50% of area median income requirement:**

- The requirement applies to each grant, not to the NSP program as a whole, nor each project or activity, nor each sub recipient.
- Compliance based on dollars, not number of units
- Principal way to comply will be through rental housing:
  - New construction or conversion
  - Acquisition
  - Rehabilitation

**2. PRIORITY FOR AREAS OF GREATEST NEED**

(Housing and Economic Recovery Act §2301(c)(2))

- In distributing NSP funds, grantees are to give priority emphasis and consideration to those metropolitan areas, metropolitan cities, urban areas, rural areas, low- and moderate-income areas, and other areas with the greatest need, including those—
  - (A) with the greatest percentage of home foreclosures;
  - (B) with the highest percentage of homes financed by subprime mortgage related loan;
  - (C) identified by the State or unit of general local government as likely to face a significant rise in the rate of home foreclosures.
- ODOC/CD has determined that under *Qualified Areas of Greatest Need*, any recipient of NSP funds must have within its geographic jurisdiction a Census

block group with a HUD foreclosure and abandonment risk score of six (6) or higher. HUD has developed a foreclosure and abandonment risk score to assist grantees in targeting the areas of greatest need within their jurisdictions. Census block groups listed as a primarily residential area in which at least 51% of the residents have incomes at or below 120% of area median income were further used as a threshold for qualifying as an Area of Greatest Need. Approximately 1,900 individual block groups met this threshold out of 5,535 statewide. While determining Areas of Greatest Need, ODOC/CD identified two distinct areas of need (CDBG Entitlement & Balance of State). The CDBG Entitlements identified under this were: Edmond, Enid, Lawton, Midwest City, Norman, Oklahoma City, Shawnee, Tulsa, and Tulsa County.

- The remaining universe of communities eligible for assistance was identified under 'Balance of State'. These eligible communities are listed on page five (5) of this Request for Proposal. Areas containing less than one (1) Census block group were removed from the Balance of State listing due to such factors as population size and need. Eligible Balance State communities are listed and further broken down by Census tract and block group on Attachment 'A'. Unincorporated Balance of State areas are listed and further broken down by Census tract and block group on Attachment 'B'.
- ODOC/CD cannot provide any further assistance to a jurisdiction in determining areas of greatest and will consider the ability to further demonstrate area need as a demonstration of an applicant's capacity.

### **3. CONTINUED AFFORDABILITY**

- Grantees shall ensure, to the maximum extent practicable and for the longest feasible term, that the sale, rental, or redevelopment of abandoned and foreclosed upon homes and residential properties under this section remain affordable to individuals or families whose incomes do not exceed 120 percent of area median income or, for units originally assisted with funds under the requirements of section 2301(f)(3)(A)(ii), to remain affordable to individuals and families whose incomes do not exceed 50 percent of area median income.
- HUD will consider any grantee adopting the HOME program standards at 24 CFR 92.252(a), (c), (e) and (f), and 92.254 to be in minimal compliance with this affordability standard and expects any other standards proposed and applied by a grantee to be enforceable and longer in duration. NSP-assisted housing must meet the affordability requirements for not less than the applicable period specified in the chart below, beginning upon project completion. The affordability requirements apply without regard to the term of any loan or mortgage or the transfer of ownership. They must be imposed by deed restrictions, covenants running with the land, or other mechanisms approved by ODOC/CD.

<b>Rental Housing Activity</b>	<b>Minimum Period of Affordability in Years</b>
Rehabilitation or acquisition of existing housing per unit amount of NSP funds: Under \$15,000	5
\$15,000 to \$40,000	10
Over \$40,000 or rehabilitation involving refinancing	15
New Construction or acquisition of Newly constructed housing	20

<b>Homeownership Assistance NSP Amount Per Unit</b>	<b>Minimum Period of Affordability in Years</b>
Under \$15,000	5
\$15,000 to \$40,000	10
Over \$40,000	15

- If NSP funds assist a property that was previously assisted with HOME funds, but on which the affordability restrictions were terminated through foreclosure or transfer in lieu of foreclosure pursuant to 24 CFR part 92, the grantee must revive the HOME affordability restrictions for the greater of the remaining period of HOME affordability or the continuing affordability requirements of this notice.

**4. TIMELY USE AND EXPENDITURE OF FUNDS**  
(Housing and Economic Recovery Act §2301(c)(1))

- NSP funds must be in use within eighteen months.

**Relevant Definition:**

*Use for the purposes of section 2301(c)(1).* Funds are used when they are obligated by a state, unit of general local government, or any sub recipient thereof, for a specific NSP activity; for example, for acquisition of a specific property. Funds are obligated for an activity when orders are placed, contracts are awarded, services are received, and similar transactions have occurred that require payment by the state, unit of general local government, or sub recipient during the same or a future period. Note that funds are not obligated for an activity when sub awards (e.g., grants to sub recipients or to units of local government) are made.

- A grantee will be deemed to have received its NSP grant at the time HUD signs its NSP grant agreement (or amendment thereto if funds are later reallocated to the grantee).

- Grantees must be expend on eligible NSP activities an amount equal to or greater than the initial allocation of NSP funds within four years of receipt of funds.

## 5. **ELIGIBLE USES**

(Housing and Economic Recovery Act §2301(c)(3))

### A. **FINANCING MECHANISMS**

*§2301(c)(3)(A) establish financing mechanisms for purchase and redevelopment of foreclosed upon homes and residential properties, including such mechanisms as soft-second, loan loss reserves, and shared-equity loans for low- and moderate- income homebuyers;*

#### **Relevant Definition:**

*Foreclosed.* A property “has been foreclosed upon” at the point that, under state or local law, the mortgage or tax foreclosure is complete. HUD generally will not consider a foreclosure to be complete until after the title for the property has been transferred from the former homeowner under some type of foreclosure proceeding or transfer in lieu of foreclosure, in accordance with state or local law.

#### **Correlated Eligible Activities from the CDBG Entitlement Regulations**

- As part of an activity delivery cost for an eligible activity as defined in 24 CFR 570.206.
- Financing mechanisms used to carry out CDBG eligible activities listed below.

### B. **PURCHASE AND REHABILITATION**

*§2301(c)(3)(B) purchase and rehabilitate homes and residential properties that have been abandoned or foreclosed upon, in order to sell, rent, or redevelop such homes and properties;*

#### **Relevant Definitions:**

*Abandoned.* A home is abandoned when mortgage or tax foreclosure proceedings have been initiated for that property, no mortgage or tax payments have been made by the property owner for at least 90 days, AND the property has been vacant for at least 90 days.

*Current market appraised value.* The current market appraised value means the value of a foreclosed upon home or residential property that is established through an appraisal made in conformity with the appraisal requirements of the URA at 49 CFR 24.103 and completed within 60 days prior to an offer made for the property by a grantee, sub recipient, developer, or individual homebuyer.

## **Acquisition:**

- Section 2301(d)(1) of HERA requires any purchase of a foreclosed-upon home or residential property under NSP be at a discount from the current market-appraised value of the home or property. Such discount shall ensure that purchasers are paying below-market value for the home or property.
- For mortgagee foreclosed properties, grantees must seek to obtain the “maximum reasonable discount” from the mortgagee, taking into consideration likely “carrying costs” of the mortgagee if it were to not sell the property to the grantee or sub recipient.
- Section 301 of the URA, regarding just compensation, does not apply to voluntary acquisitions.
- All acquisitions of property under NSP require an appraisal for purposes of determining the statutory purchase discount.
- For individual purchase transactions, the purchase discount is to be at least 5% from the current market appraised value of the home or property.
- For purchase transactions in the aggregate, the average purchase discount depends on how the purchase discount for an individual property is determined.
  - a. The average purchase discount shall be at least 10% if the State, unit of general local government, or sub recipient determines the discount for each purchase transaction through use of a methodology that results in a discount equivalent to the total carrying costs that would be incurred by the seller if the property were not purchased with NSP funds (provided the discount is at least 5%).
  - b. Such methodology shall provide for an analysis of the estimated holding period for the property and the nature and amount of the carrying costs of holding the property for this period.
  - c. Carrying costs shall include, but not be limited to: taxes, insurance, maintenance, marketing, overhead, and interest.
  - d. If this methodology is not used, the minimum average discount shall be at least 15%.
- An NSP recipient may NOT provide NSP funds to another party to finance an acquisition of tax foreclosed (or any other) properties from itself, other than to pay the necessary and reasonable costs related to the appraisal and transfer of title.

- Grantees that are contemplating using NSP funds to assist an acquisition involving an eminent domain action are advised to consult legal counsel before taking action, as this may present problems with the Takings Clause of the Fifth Amendment to the U.S. Constitution and prior Supreme Court rulings.
- HUD is not specifying alternative requirements to the relocation assistance provisions at 42 U.S.C. 5304(d).
- Grantees are encouraged to acquire and redevelop FHA foreclosed properties. HUD provides information on such properties at <http://www.hud.gov/offices/hsg/sfh/reo/reohome.cfm>. Grantees may also contact their local HUD FHA office for further information.

### **C. Rehabilitation**

- Any rehabilitation of a foreclosed upon home or residential property shall be to the extent necessary to comply with applicable laws, codes and other requirements relating to housing safety, quality, and habitability, in order to sell, rent, or redevelop such homes and properties. In their substantial amendment, grantees must define their housing rehabilitation standards that will apply to NSP assisted activities.
- Funds may be used for preservation, improving energy efficiency or conservation, or providing renewable energy source(s).
  - a. HUD encourages grantees to strategically incorporate modern green building and energy efficiency improvements to provide for long-term affordability and increased sustainability and attractiveness of housing and neighborhoods.
- Grantees may fund costs, such as sales costs, closing costs, and reasonable developer's fees, related to NSP-assisted housing, rehabilitation, or construction activities.
- Grantees may rehabilitate property to be operated as rental housing by the grantee, by a sub recipient, by a lessee or by a purchaser. Grantees should note that the costs of purchase, rehabilitation, conversion and sale of such properties are eligible NSP activities, but the expenses of actually operating the rental housing (such as maintenance, insurance, deficits in monthly operating income) and tenant-based rental subsidies are not eligible NSP activities.

### **D. Sale**

- If an abandoned or foreclosed upon home or residential property is to be sold to an individual as a primary residence, no profit may be earned on such sale.

- Section 2301(d)(2) directs that the sale of such property shall be in an amount equal to or less than the cost to acquire and redevelop or rehabilitate such home or property up to a decent, safe, and habitable condition.
- The maximum sales price for a property is determined by aggregating all costs of acquisition, rehabilitation, and redevelopment (including related activity delivery costs, which generally include, among other things, costs related to the sale of property).
- In determining the sales price, HUD will NOT consider the costs of boarding up, lawn mowing, maintaining the property in a static condition, or, in the absence of NSP-assisted rehabilitation or redevelopment, the costs of completing a sales transaction or other disposition to be redevelopment or rehabilitation costs.
- Each NSP-assisted homebuyer is required to receive and complete at least eight hours of homebuyer counseling from a HUD-approved housing counseling agency before obtaining a mortgage loan.
- Grantees must ensure that homebuyers obtain a mortgage loan from a lender who agrees to comply with the bank regulators' guidance for non-traditional mortgages.
- Grantees are cautioned against providing or permitting homebuyers to obtain subprime mortgages for whom such mortgages are inappropriate.

#### Correlated Eligible Activities from the CDBG Entitlement Regulations

- 24 CFR 570.201
  - (a) Acquisition
  - (b) Disposition
  - (i) Relocation
  - (n) Direct homeownership assistance to persons whose incomes do not exceed 120% of median income.
- 24 CFR 570.202 Eligible rehabilitation and preservation activities for homes and other residential properties. Note that rehabilitation may include counseling for those seeking to take part in the activity.

#### **E. LAND BANKS**

*§2301(c)(3)(C) establish land banks for homes that have been foreclosed upon;*

#### **Relevant definitions:**

*Land bank.* A land bank is a governmental or nongovernmental nonprofit entity established, at least in part, to assemble, temporarily manage, and dispose of vacant land for the purpose of stabilizing neighborhoods and encouraging re-use or redevelopment of urban property. For the purposes of the NSP, a land bank will operate

2008 Neighborhood Stabilization Program (NSP)

Balance of State Application

Page 16 of 24

in a specific, defined geographic area. It will purchase properties that have been abandoned or foreclosed upon and maintain, assemble, facilitate redevelopment of, market, and dispose of the land-banked properties. If the land bank is a governmental entity, it may also maintain abandoned or foreclosed property that it does not own, provided it charges the owner of the property the full cost of the service or places a lien on the property for the full cost of the service.

#### Land Bank Uses:

- A land bank may not hold a property for more than ten years without obligating the property for a specific, eligible redevelopment in accordance with NSP requirements. HUD does not believe that holding property alone is sufficient to stabilize most neighborhoods.
- The grantee must determine the actual service area benefiting from a land bank's activities.
- For more information on land banks and examples of best practices visit: <http://www.hud.gov/offices/cpd/about/conplan/foreclosure/landbanks.cfm>

#### Correlated Eligible Activities from the CDBG Entitlement Regulations:

- 24 CFR 570.201
  - (a) Acquisition
  - (b) Disposition

#### **F. DEMOLITION**

*§2301(c)(3)(D) demolish blighted structures;*

#### **Relevant definition:**

*Blighted structure.* A structure is blighted when it exhibits objectively determinable signs of deterioration sufficient to constitute a threat to human health, safety, and public welfare.

#### General information:

- The national objectives related to prevention and elimination of slums and blight and addressing urgent community development needs (24 CFR 570.208(b) and (c) and 570.483(c) and (d)) are not applicable to NSP-assisted activities.
- NSP grantees will NOT be required to meet the requirements of 42 U.S.C. 5304(d) as implemented at 24 CFR 42.375, which mandates one-for-one replacement of low- and moderate-income dwellings units that are demolished or converted for activities assisted with NSP funds.

### Correlated Eligible Activities from the CDBG Entitlement Regulations

- 24 CFR 570.201 (d) Clearance, for blighted structures only

### **G. REDEVELOPMENT**

*§2301(c)(3)(E) redevelop demolished or vacant properties*

- Grantees may fund costs, such as sales costs, closing costs, and reasonable developer's fees, related to NSP-assisted housing, rehabilitation, or construction activities.
- New construction of housing and building infrastructure for housing is an eligible use.
- Grantees may redevelop property to be used as rental housing.
- Grantees are encouraged to acquire and redevelop FHA foreclosed properties. HUD provides information on such properties at <http://www.hud.gov/offices/hsg/sfh/reo/reohome.cfm>. Grantees may also contact their local HUD FHA office for further information.

### Correlated Eligible Activities from the CDBG Entitlement Regulations

- 24 CFR 570.201
  - (a) Acquisition
  - (b) Disposition
  - (c) Public facilities and improvements
  - (e) Public services for housing counseling, but only to the extent that counseling beneficiaries are limited to prospective purchasers or tenants of the redeveloped properties
  - (i) Relocation
  - (n) Direct homeownership assistance (for persons whose income does not exceed 120% of median income)
- 24 CFR 570.204 Community based development organizations
- New housing construction

### **H. ADMINISTRATION AND PLANNING COSTS**

(Housing and Economic Recovery Act §2301(c)(3))

- ODOC will allow an amount of up to 7.5% of the NSP grant provided to a jurisdiction and up to 7.5% of program income earned may be used for general administration and planning activities as defined at 24 CFR 570.205 and 206.

## **I. OTHER USES**

- ODOC reserves the right to seek the U.S. Department of Housing and Urban Development (HUD)'s determination of eligibility.
- If not otherwise stated, if an activity is ineligible under CDBG, it is ineligible under the NSP program.
- HUD will not consider requests to allow foreclosure prevention activities, such as refinancing mortgages and paying back taxes; or to allow demolition of structures that are not blighted; or to allow purchase of residential properties and homes that have not been abandoned or foreclosed upon as provided in HERA and defined in this notice

## **NSP RFP Submission and Inquiries**

One (1) Balance of State NSP Application with all pages numbered by section must be received at ODOC/CD by 5:00 P.M., April 24, 2009. No modifications or corrections will be accepted after this date and time unless specifically requested by ODOC.

## **GUIDING PRINCIPLES**

- Areas designated for NSP investment should be those that have experienced above average foreclosure or sub-prime lending activity, but that also have significant assets that will allow them to rebound with modest investment;
- Strategies should consider a balance of approaches that provide for affordable housing strategies, including rental and homeownership opportunities;

- Recipients should, to the fullest extent possible, partner with other stakeholders in order to conceive and implement comprehensive neighborhood revitalization strategies;
- Recipients should coordinate investment strategies in order to maximize and target neighborhood and housing impacts;
- Recipients must demonstrate specifically the intent to meet the requirement that not less than 25% of their NSP funds shall be used to serve families whose income does not exceed 50% of the Area Median Income (AMI).

Within the eligible activities as listed in the Request for Proposal, choices will need to be made between options such as acquiring property vs. allowing market forces to rebound without intervention, rehabilitation vs. demolition and sale, rental or lease purchase or other such program. Recipients are expected to demonstrate an understanding of the neighborhood market conditions in order to make sound decisions in these areas which will restore a functioning and vibrant housing market to targeted areas.

Because NSP funds are so limited, it will be imperative to use other local, state and federal as well as private resources in combination with these funds to foster sustainable neighborhood stabilization. Other programs that may be tapped in conjunction with NSP funds include, but should not be limited to:

- Foreclosure prevention programs
- Housing and credit counseling programs
- Code enforcement programs
- Homeowner rehabilitation programs
- Community lending programs
- Homeowner Assistance Programs such as down payment assistance & lease to own programs

The Neighborhood Stabilization Program focuses on areas of great need, but also expects that communities will target these resources in order to actually stabilize neighborhoods.

- Recipients should coordinate approaches to purchasing, renovating and reselling properties, maximizing discounts on the acquisition costs and minimizing redevelopment and disposition costs. NSP recipients are encouraged to negotiate with lenders or Realtors for REO portfolios for bulk purchases of identified properties.
- Recipients should address how they are working with local credit and housing counseling partners to ensure continued affordability;
- Any investment strategies should incorporate “green” and energy efficient approaches to building construction and land development;

- Recipients must demonstrate specifically the intent to meet the requirement that not less than 25% of their NSP funds shall be used to serve families whose income does not exceed 50% of the Area Median Income (AMI).

It will not be at all difficult to decide which neighborhoods have the greatest need, the challenge will be to decide which neighborhoods or blocks have the greatest chance for success. Many neighborhoods will have some level of foreclosure. Most likely to succeed are the neighborhoods with problems but with some assets that are marketable. These are the neighborhoods where pockets of foreclosed, abandoned or blighted structures can be overcome before it spreads further. These neighborhoods are the places where NSP resources should be deployed, strategically with other programs. Focus should be on the neighborhoods where loan-to-value ratios still offer some kind of collateral, core strengths/assets, but would continue to decline without public intervention. These are the neighborhoods where strategic investments can stabilize and redirect market forces, improve property values, reduce disinvestment and stabilize the tax base. While there may be other neighborhoods in greater need, the resources needed to impact stabilization and recovery will almost always exceed the resources available. The focus should be on those neighborhoods that have a chance to succeed.

## **PROPOSAL EVALUATION**

Proposals will be evaluated on the basis of Need and Capacity of the organization to implement the plan in the time frame required.

**A COMPONENT OF THE DEMONSTRATION OF CAPACITY WILL BE THE ABILITY TO COMPLETE THE APPLICATION SUFFICIENTLY INCLUDING THE ABILITY TO:**

- FIND AND INTERPRET THE AVAILABLE DATA TO DETERMINE ELIGIBLE AREAS
- DEMONSTRATE TARGETING AND IMPACT
- DEMONSTRATE THROUGH SPECIFIC EXAMPLE SUCCESSFUL COMPLETION OF ELIGIBLE PROGRAM ACTIVITIES BY APPLICANT AND/OR SUBCONTRACTORS
- PRESENT A PLAN WITH ACTIVITIES THAT ARE GEOGRAPHICALLY PROXIMATE USING THE AVAILABLE NSP FUNDS IN CONJUNCTION WITH OTHER FUNDING TO DEVELOP A CONCENTRATED AND EFFECTIVE REDEVELOPMENT STRATEGY

## **THRESHOLD CRITERIA FOR REVIEW OF APPLICATION:**

- COMPLETENESS OF APPLICATION
- ELIGIBLE ACTIVITIES
- ELIGIBLE AREAS
- AT LEAST 25% BENEFIT FOR THOSE <50% OF AREA MEDIAN INCOME
- COMPLIANCE WITH ALL STATE AND FEDERAL RULES INCLUDING, BUT NOT LIMITED TO ENVIRONMENTAL REVIEW, FAIR HOUSING ETC.

## **PROPOSAL SCORING**

25 POINTS	TARGETED IMPACT AND NEIGHBORHOOD STABILIZATION
30 POINTS	CAPACITY AND READINESS TO EXECUTE PLAN
10 POINTS	CONTINUED AFFORDABILITY
15 POINTS	PARTNERSHIP/LEVERAGE AND COORDINATION
10 POINTS	GREEN BUILDING
10 POINTS	MULTI-JURISDICTIONAL PROPOSAL

## **EXPLANATION OF SCORING CATEGORIES:**

### **1. TARGETED IMPACT AND NEIGHBORHOOD STABILIZATION:**

Priority will be given to those proposals that can demonstrate a strong connection to other neighborhood stabilization activities which are on-going in the area. The applicant should link NSP funded activities to foreclosure and abandonment problems caused by problematic mortgage lending activities.

### **2. CAPACITY AND READINESS TO EXECUTE PLAN:**

ODOC will give priority to eligible applicants that exhibit strong capacity to administer NSP in two manners:

Knowledge, implementation and compliance of activities funded through the CDBG Program. ODOC will also assess any significant monitoring findings or program weaknesses that are not addressed, as well as performance on CDBG contract closeout requirements.

Experience administering and delivering the specific activities for which the NSP funds would be used. If significant administrative responsibilities will be assigned to another entity via subcontract, the experience of that entity will be considered as well.

### **3. CONTINUED AFFORDABILITY:**

Applicant must clearly demonstrate the mechanisms that will be used to meet the continued affordability criteria as set out in Oklahoma's NSP plan as submitted to HUD and available at [okcommerce.gov](http://okcommerce.gov).

### **4. PARTNERSHIP/LEVERAGE AND COORDINATION:**

Connections should be made to other publicly and privately funded efforts in the area toward neighborhood stabilization. Scoring will be improved by demonstrating the use of NSP funds in conjunction with other programs and a larger strategy.

### **5. GREEN BUILDINGS:**

Points will be given for proposals that utilize Green Building components and techniques. The highest priority in this category will be given to those proposals that assure construction activities will meet national standards for Green Building, such as Leadership in Energy and Environmental Design (LEED) or National Association of Home Builders (NAHB) Green Building Program. Proposals that demonstrate use of energy efficient design and materials will also be given priority.

### **6. MULTIJURISDICTIONAL PROPOSALS:**

Priority will be given to those applicants that will serve multiple municipalities or eligible areas and demonstrate effective cooperation in addressing needs of multiple locations. This priority will include proposals submitted by any eligible applicant proposing regional efforts to efficiently manage NSP funds. The applicant must demonstrate a strong management role in the program delivery, not just conduit funding for multiple locations.

## NOTICE

---

*The Oklahoma Department of Commerce (ODOC) reserves the right to look at the Neighborhood Stabilization Program principles as a whole to ensure that the intent of the law is met. ODOC further reserves the right to seek HUD guidance regarding eligibility of activities. ODOC reserves the right to adjust contracted amounts based upon actual performance and progress in order to maximize use of funds within the initial 18 months of the program. ODOC will evaluate the progress of each of the identified activity areas among all NSP recipients. NSP funds may be re-allocated by ODOC among the activity areas in response to unacceptable progress in accomplishing the stated goals and commitment of funds in compliance with NSP requirements. ODOC may identify additional activities, consistent with the needs analysis and eligible uses, and may amend the Program to incorporate such activities if funds can be obligated within the time required.*

*ODOC will require a timeline and expected outcomes as part of this application submission. After 120 days from start date of contract, ODOC will review the progress to date, determine whether the funds are being committed in a timely manner and whether there has been progress against the community's stated goals. Should the community not be meeting standards, ODOC will work with them to improve its performance. ODOC will review performance again after another four (4) months. At that point, if performance standards are not being met, ODOC will suspend further assistance to the community and re-allocate those funds to other activity components.*

## Request for Taxpayer Identification Number and Certification

**Give form to the  
 requester. Do not  
 send to the IRS.**

<b>Print or type See Specific Instructions on page 2</b>	Name (as shown on your income tax return)	
	Business name, if different from above	
	Check appropriate box: <input type="checkbox"/> Individual/Sole proprietor <input type="checkbox"/> Corporation <input type="checkbox"/> Partnership <input type="checkbox"/> Other ▶ .....	
	<input type="checkbox"/> Exempt from backup withholding	
	Address (number, street, and apt. or suite no.)	Requester's name and address (optional)

### Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

**Note.** If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

### Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

<b>Sign Here</b>	Signature of U.S. person ▶	Date ▶
------------------	----------------------------	--------

### Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

**U.S. person.** Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

**Foreign person.** If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.**

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Name

If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

**Sole proprietor.** Enter your individual name as shown on your social security card on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

**Limited liability company (LLC).** If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

**Other entities.** Enter your business name as shown on required Federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

**Note.** You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

### Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

**Note.** If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

**Exempt payees.** Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

- 7. A foreign central bank of issue,
- 8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
- 9. A futures commission merchant registered with the Commodity Futures Trading Commission,
- 10. A real estate investment trust,
- 11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
- 12. A common trust fund operated by a bank under section 584(a),
- 13. A financial institution,
- 14. A middleman known in the investment community as a nominee or custodian, or
- 15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 <sup>1</sup>	Generally, exempt recipients 1 through 7 <sup>2</sup>

<sup>1</sup>See Form 1099-MISC, Miscellaneous Income, and its instructions.

<sup>2</sup> However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at [www.socialsecurity.gov/online/ss-5.pdf](http://www.socialsecurity.gov/online/ss-5.pdf). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses/](http://www.irs.gov/businesses/) and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting [www.irs.gov](http://www.irs.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

**Signature requirements.** Complete the certification as indicated in 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## What Name and Number To Give the Requester

For this type of account:	Give name and SSN of:
1. Individual	The individual
2. Two or more individuals (joint account)	The actual owner of the account or, if combined funds, the first individual on the account <sup>1</sup>
3. Custodian account of a minor (Uniform Gift to Minors Act)	The minor <sup>2</sup>
4. a. The usual revocable savings trust (grantor is also trustee)	The grantor-trustee <sup>1</sup>
b. So-called trust account that is not a legal or valid trust under state law	The actual owner <sup>1</sup>
5. Sole proprietorship or single-owner LLC	The owner <sup>3</sup>
For this type of account:	Give name and EIN of:
6. Sole proprietorship or single-owner LLC	The owner <sup>3</sup>
7. A valid trust, estate, or pension trust	Legal entity <sup>4</sup>
8. Corporate or LLC electing corporate status on Form 8832	The corporation
9. Association, club, religious, charitable, educational, or other tax-exempt organization	The organization
10. Partnership or multi-member LLC	The partnership

12. Account with the Department of Agriculture in the name of a public entity (such as a state or local government, school district, or prison) that receives agricultural program payments	The public entity

<sup>1</sup> List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person's number must be furnished.

<sup>2</sup> Circle the minor's name and furnish the minor's SSN.

<sup>3</sup> You must show your individual name and you may also enter your business or "DBA" name on the second name line. You may use either your SSN or EIN (if you have one). If you are a sole proprietor, IRS encourages you to use your SSN.

<sup>4</sup> List first and circle the name of the legal trust, estate, or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.)

**Note.** If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

## Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
