SECTION ONE: APPLICATION GUIDANCE

The purpose of this Application Guide is to provide guidance in preparing a Community Development Block Grant (CDBG) Community Revitalization (CR) application for the Oklahoma Department of Commerce / Community Development (ODOC/CD). This program was developed to help address quality of life issues which in turn aid both neighborhood and community revitalization.

Applications received under the CDBG Community Revitalization set-aside will be scored competitively against one another regardless of project request.

The grant maximum for the CDBG Community Revitalization application is **\$300,000**. The maximum amount of CDBG Community Revitalization funds that may be used for activity delivery cost is eight percent (8%) of the total CDBG Community Revitalization funds awarded for the total construction and professional/non-construction funds provided. **All CDBG Community Revitalization applications must be completed online no later than March 28, 2025.** Applications submitted after this date will NOT be considered for funding.

Applicants are required to complete and submit their respective application and applicable attachments online at the following *OKGrants* web address: <https://grants.ok.gov>. **NO PAPER APPLICATIONS WILL BE ACCEPTED.** Application guidelines containing the specific program requirements for the CDBG COMMUNITY REVITALIZATION application is available on ODOC/CD's website: <https://www.okcommerce.gov/community-development/>. **WARNING: Prospective applicants should review the application guidance BEFORE attempting to complete the online application. Failure to meet application guidelines or properly submit required application documentation may result in a FAILED or DENIED application rating.**

National Objective-CDBG Funds

The primary National Objective of the Community Development Block Grant (CDBG) Program is the "development of viable urban communities by providing decent housing and a suitable living environment, particularly for **persons of low and moderate-incomes**."

The CDBG National Objective "benefit to low and moderate-income-persons" is considered a funding PRIORITY under the State's CDBG Program and is treated as such under the State's individual CDBG set-asides. All project proposals submitted for funding through the State's CDBG Program must document the achievement of the low and moderate-income National Objective as delineated in 24 CFR §570.483 (Criteria for National Objectives).

- ✓ Provide benefit to low and moderate-income persons.

Eligible Entities

Eligible applicants for the CDBG Community Revitalization Program are units of local government (incorporated towns, cities, and counties) that are **not** participants in the CDBG Entitlement Program. Oklahoma's entitlement cities are Edmond, Enid, Lawton, Midwest City, Moore, Norman, Oklahoma City, Shawnee, and Tulsa as well as the units of local government participating in the CDBG Urban County Designation for Tulsa County which consists of the following:

City of Bixby
City of Broken Arrow
City of Collinsville
City of Glenpool

City of Jenks
City of Owasso
City of Sand Springs
City of Sapulpa

City of Skiatook
Town of Sperry
Unincorporated Tulsa County

Application Submission Requirements

1. City/Town and County (Direct Jurisdiction) Applicants: **City/Towns and Counties receiving a direct jurisdictional benefit may submit only one (1) grant application per CDBG Program Year** selecting from CDBG Water/Wastewater Engineering, CDBG Water/Wastewater Construction, CDBG Community Revitalization, or CDBG Rural Economic Action Plan (REAP). A City/Town and County (Direct Jurisdiction) cannot submit a CDBG application if it currently has an open CDBG grant. **Exclusions:** Economic Development Infrastructure Financing (EDIF), Capital Improvement Planning (CIP) and Disaster Recovery (DR). Typical County direct jurisdiction CDBG application projects are roads, bridges, County hospital, etc. In the case of fire truck funding requests, the County would have to own and operate the fire trucks to qualify under direct jurisdictional benefit.
2. County Sponsored Applicants: Counties acting in a “sponsorship” capacity may submit a maximum of one sponsored CDBG grant application per CDBG Program Year selecting from Water/Wastewater Engineering, Water/Wastewater Construction, Community Revitalization, or Rural Economic Action Plan (REAP). **Limitation: Counties may ONLY have one (1) open sponsored CDBG grant and still make another sponsored CDBG application. Counties cannot exceed a maximum number of two (2) open sponsored CDBG grants open at any given time.** **Exclusions:** Economic Development Infrastructure Financing (EDIF), Capital Improvement Planning (CIP) and Disaster Recovery (DR). Counties may sponsor applications where they do not have direct jurisdiction over certain public functions. Generally, these are communities with less than \$50,000 in revenue, Rural Water Districts, and Rural Fire Districts. Counties CANNOT submit a single application containing multiple Units of General Local Governments or jurisdictions such as Rural Fire Districts under a single county sponsored application.

Proper Sponsors

The process of determining which unit of government (a town, city, or county) should submit or sponsor an application for CDBG Community Revitalization assistance must include an examination of the relationship between the location of proposed improvements in the service delivery area, and the proposed beneficiaries. The unit of government with direct jurisdiction over the majority (60%) of the proposed beneficiaries must be the sponsor or applicant for CDBG Community Revitalization funds. However, if no unit of local government has 60% of the proposed beneficiaries, then the unit of local government with the majority of proposed beneficiaries must sponsor the application for grant assistance. Also, in some instances a county may apply on behalf of a town or city that cannot meet the minimum \$50,000 annual revenue financial requirements identified in the Threshold Requirements in this guide. Prospective applicants are advised to contact ODOC/CD BEFORE application submission regarding any questions relating to proper sponsorship should any additional clarification be required.

CDBG Community Revitalization Projects – Use of Funds

Under this broad category, an applicant may submit a project proposal for any eligible activity listed in Section 105(a) of the Federal Housing and Community Development Act of 1974, as amended. In addition to Section 105(a) of the Federal Housing and Community Development Act

of 1974, applicants are highly encouraged to consult the Code of Federal Regulations (CFR) as it relates to the U.S. Housing and Urban Development's (HUD) CDBG Program.

Title 24 → Subtitle B → Chapter V → Subchapter C → Part 570

TITLE 24—Housing and Urban Development

Subtitle B—REGULATIONS RELATING TO HOUSING AND URBAN DEVELOPMENT
(CONTINUED)

CHAPTER V—OFFICE OF ASSISTANT SECRETARY FOR COMMUNITY PLANNING
AND DEVELOPMENT, DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

SUBCHAPTER C—COMMUNITY FACILITIES

PART 570—COMMUNITY DEVELOPMENT BLOCK GRANTS

24 CFR Part 570 Subparts “A”, “C”, “I”, “J”, “K”, and “M” are applicable to the State’s CDBG program. It is recommended that applicants access the online CFR version at <https://www.ecfr.gov> provided by the U.S. Government Publishing Office (GPO). Subparts “C” (24 CFR §570.201), (24 CFR §570.207) and “I” (24 CFR §570.482) will provide applicants with guidance as it specifically relates to CDBG project/activity eligibility. Applicants are advised to contact the Oklahoma Department of Commerce (ODOC) BEFORE application submission regarding any questions relating to project/activity eligibility should any additional clarification be required.

It should be noted that while ODOC/CD highly encourages applicants to seek additional clarification regarding CDBG eligibility that the official and final eligibility is determined upon application review. It should be acknowledged that ODOC/CD does not conduct official pre-application reviews. Should additional eligibility assistance be requested, it is important to keep in mind that ODOC/CD is providing this assistance without the aid of any application specific documentation. In some cases, the lack of additional project related information such as that contained in the submitted application may result in a different eligibility determination upon final application review. Also, any comments or observations are being presented in consideration that all other CDBG Program thresholds will be met in the final application.

Under CDBG COMMUNITY REVITALIZATION, projects could include:

- ✓ Fire Protection (Fire Trucks) (See Note¹ Below)
- ✓ Streets (See Note² Below)
- ✓ Senior Citizen Centers
- ✓ Community Centers
- ✓ Public Library
- ✓ Property Acquisition
- ✓ Gas & Electrical System Improvements
- ✓ Removal of Architectural Barriers Associated with Handicap Access
- ✓ Storm Water Drainage Improvements

***Note¹ - Special Note Regarding Equipment Related Activities: 24 CFR §570.207 (Ineligible Activities)** ODOC/CD will NOT fund Equipment Only CDBG REAP applications except as provided for under CDBG regulations. One notable exception as noted in the regulations would be the eligibility of fire protection equipment such as fire trucks.

The purchase of equipment under CDBG is generally ineligible except under very limited conditions as outlined in 24 CFR §570.207. The following excerpt is taken from 24 CFR §570.207. Applicants are encouraged to review the entire regulation and should immediately consult ODOC/CD should there be questions as to the eligibility of their prospective project funding request.

The general rule is that any activity that is not authorized under the provisions of §570.201-570.206 is ineligible to be assisted with CDBG funds. This section identifies specific activities that are ineligible and provides guidance in determining the eligibility of other activities frequently associated with housing and community development.

(a) The following activities may not be assisted with CDBG funds:

(1) *Buildings or portions thereof, used for the general conduct of government* as defined at §570.3(d) cannot be assisted with CDBG funds. This does not include, however, the removal of architectural barriers under §570.201(c) involving any such building.

(b) The following activities may not be assisted with CDBG funds unless authorized under provisions of §570.203 or as otherwise specifically noted herein or when carried out by an entity under the provisions of §570.204.

(1) *Purchase of equipment.* The purchase of equipment with CDBG funds is generally ineligible.

(ii) *Fire protection equipment.* Fire protection equipment is considered for this purpose to be an integral part of a public facility and thus, purchase of such equipment would be eligible under §570.201(c).

***Note² - Special Note Regarding Street/Road Projects:**

Under most situations, street/road project beneficiaries will only be those households directly adjacent to the proposed street/road project. If multiple streets/roads are involved in the project request, the street/roads projects should be contiguous. Otherwise, in most cases this would result in the need for separate LMI surveys to be conducted and would not qualify under “Project Definition” addressed in this application guideline. It is highly recommended that an applicant contacts ODOC/CD before attempting to conduct a LMI survey for a proposed street/road project or automatically attempting to qualify a proposed street/road project based on the published automatic LMI qualification table contained in the CDBG-CR Application Guidelines. Applicants will be required to send a project map should they need assistance.

CDBG Community Revitalization Projects – Project Descriptions

Project descriptions are required as part of the OKGrants’ CDBG Community Revitalization application. Unlike large-scale water and wastewater projects which benefit from the submission of a detailed preliminary engineering report, the CDBG Community Revitalization set-aside allows for projects which require the applicant to formulate a detailed project description. For any requested CDBG project, there is an underlying “need” for such a project. It is the responsibility of the applicant to provide ODOC/CD documentation supporting the need for a project request. Failure to adequately demonstrate a project need will result in a FAILED threshold application rating. The project need is communicated in the “Project Description” section of the “CDBG Application Summary” page of the online OKGrants application. If required, additional narratives and supporting documentation can be uploaded in the “Uploads” page of the OKGrants application.

Example One – Fire Truck

A. Describe the fire truck. What is the specific type of truck's purpose and how will it specifically benefit the applicant if funded? Applicants cannot simply write "Fire Pumper Truck". This is inadequate. Applicants cannot simply justify need such as "new fire truck to lower ISO insurance rates" or simply state "increased reliability" without stating the issues with the current equipment that is being replaced.

B. Substantiate the need for the number of units requested. Obviously, this is only applicable if more than one unit is requested.

C. Is this unit new, additional, or a replacement? Describe why the new, additional, or replacement unit is required.

D. It is suggested that a picture representative of the proposed fire truck being requested with the CDBG funding be uploaded into the OKGrants application. Understandably at the time of application, this picture will not be the actual fire truck, but it will help the reviewer better understand the specific type of project request.

Example Two – Street Resurfacing

A. Describe the street resurfacing. What is the specific construction activity taking place and how will it specifically benefit the applicant if funded? Simply stating that the road will be smoother to drive on is considered inadequate.

B. What is location and/or name of the street that will undergo construction? Understandably, applicants are required to provide a visual map as part of the application, but the written location is required for ODOC's HUD related CDBG Program performance data.

Project Definition

Under the State's CDBG Community Revitalization program, a project is defined as ONE eligible or sponsored unit of local government (UGLG) applying for ONE activity in which there is a benefit to only ONE geographically TARGETED AREA or an entire COMMUNITY-WIDE AREA. These areas allow for an activity in which only ONE LMI survey (as applicable) is required. If the project does not meet the above definition, it will be disqualified resulting in a FAILED application rating.

Because of the unique design of the CDBG Community Revitalization Program and limited CDBG funding, it is necessary to provide additional project definition clarification. By limiting the number of activities requested under a single application, ODOC is trying to maximize the availability to other potential applicants.

Under CDBG Community Revitalization, projects are further defined as a single activity identified under the same general type or category. For example, an applicant requests CDBG funding for a fire truck and parking lot as part of the same application. Under this scenario, the fire truck (equipment) and parking lot (infrastructure) would be two individual project requests. It is important to note that it is impossible to account for every possible funding request scenario in this guideline. It is the responsibility of the applicant to contact ODOC before application submission for additional clarification.

Leverage

The State's CDBG Program requires that all leveraged CDBG project funding be in place at the time of the application submission. There are several reasons for this. First, the HUD based CDBG Program imposes program specific obligation and expenditure requirements. Most importantly, an applicant may simply not receive the leveraged funding as intended. This is an inefficient use of valuable CDBG program time and requires additional ODOC/CD staff time to deobligate the contract and reallocate the contract funding to another eligible CDBG project. Second, applicants without secured leverage funding at the time of the application submission would require additional time for securing the funds adding time to the overall project completion timeline. Third, there is no foreseeable way to impose an additional timeframe for the allowance to secure leveraged funding that would be fair to all applicants given the varied types of outside funding available.

CDBG Project Eligibility Policy

Prospective CDBG Program applicants are strongly encouraged to review (24 CFR 570 Subparts A, C, I, K, and O) of the Electronic Code of Federal Regulations (<https://ecfr.io/Title-24/>) for additional regulatory CDBG Program guidance as related to State CDBG Programs. The Housing and Community Development Act Section 105(a) and 24 CFR 570.482 defines eligible activities under the State CDBG Program. While some regulatory language is direct, there are instances where more clarity is needed.

It is the policy of ODOC/CD that should a prospective CDBG Program applicant request a CDBG project/activity that does NOT appear directly eligible and cannot be immediately determined as ineligible as interpreted from CDBG regulatory guidance and ODOC/CD staff that the applicant can formally request ODOC/CD to seek a final determination from HUD officials.

- a. The prospective applicant will be required to submit a project/activity narrative regarding the requested activity. This will be required by HUD to conduct their review and decide. It is the responsibility of the prospective applicant to provide the narrative. The submission of the narrative to ODOC/CD will be seen by as the formal request to seek a final determination from HUD.
- b. Once a detailed project narrative is received by ODOC/CD, it will be submitted to the Oklahoma City HUD office for a final eligibility determination.

Prospective applicants are advised to seek project/activity guidance as soon as possible from ODOC/CD if they have eligibility concerns. Prospective applicants should be aware that final CDBG regulatory and program guidance can take several months to receive from HUD. ODOC/CD understands that prospective applicants are subject to CDBG application deadlines; however, in absence of a final project/activity determination from HUD, ODOC/CD cannot allow an award for any requested CDBG project/activity that cannot be determined to be directly CDBG eligible. If the project/activity eligibility determination has not been received from HUD by the CDBG application deadline, the application will receive a FAIL threshold rating. Applicants are advised to consider that a determination may not be received by the CDBG application submission date.

SAM.Gov Debarred / Exclusion Check Requirement

The System for Award Management (SAM.gov) is an official website of the U.S. government. ***You must have an active registration in SAM.gov to do business with the Federal Government.*** There is no cost to use SAM.gov. The General Services Administration (GSA) is required by the Federal Acquisition Regulation (FAR) to compile and maintain a list of parties debarred, suspended, or disqualified by federal agencies in SAM.gov. Units of General Local Government (UGLG's), contractors as well as recipients of federal financial assistance must be registered at SAM.gov. Active registration in SAM.gov is required to apply for an award and for HUD to make a payment. ODOC/CD is required by HUD to check UGLG grantees' debarment/exclusion status in the federal SAM database and place a record on file. You can use this site for FREE to:

- Register to do business with the U.S. government
- Update or renew your entity registration
- Check status of an entity registration
- Search for entity registration and exclusion records
- Search for assistance listings (formerly CFDA.gov), wage determinations (formerly WDOL.gov), contract opportunities (formerly FBO.gov), and contract data reports (formerly part of FPDS.gov)

Per the SAM.gov User Guide, the No Active Exclusions field on the SAM.gov Entity summary indicates whether the entity has a current debarment. SAM.gov will check the exclusions list for the Unique Identify Identifier Number (UEI#) of your entity and indicate whether any exclusion records exist. If an active exclusion record exists for your entity, this question will default to "Yes," meaning that the contractor is debarred. No Record Found means that the entity is not registered or has let its registration lapse. The entity should ensure that the email address is current in SAM.gov so that when automated reminders are sent to renew registration each year that this reminder does not go into spam due to an obsolete email address.

Get started with a SAM.gov registration and the Unique Entity Identifier Number: If you have not yet started your registration, please create an individual user account and log into SAM.gov to register your entity. To register in SAM.gov, at a minimum, you will need the following information:

U.S. REGISTRANTS:

1. Legal Business Name, and Physical Address (A post office box may not be used as your physical address).).
2. Your Taxpayer Identification Number (TIN) and Taxpayer Name associated with your TIN. Review your tax documents from the IRS (such as a 1099 or W-2 form) to find your Taxpayer Name.
3. Your bank's routing number, your bank account number, and your bank account type, i.e. checking or savings, to set up Electronic Funds Transfer (EFT).

Refer to the following website [SAM.gov | Home](#) for the applicable options provided for your entity. If you have already registered, check your status by clicking on “Check Registration Status” and logging in with your username and password; then provide your UEI Number or CAGE Code. You will need to download the information provided by the site by clicking on the Download heading toward the top of the page which creates an electronic pdf copy of the document that will need to be saved for your records. That pdf will be required to be uploaded into OKGrants with the status that shows that the UGLG has an Active status and has NO ACTIVE EXCLUSIONS.

You must renew your registration every 365 days to keep it active. You can make updates to your registration anytime or during renewal.

The Build America Buy America Act (BABAA), enacted as part of the Infrastructure Investment and Jobs Act on November 15, 2021, established a domestic content procurement preference for all Federal financial assistance obligated for infrastructure projects. The domestic content procurement preference requires that all iron, steel, manufactured products, and construction materials used in covered infrastructure projects are produced in the United States. BABAA will apply to 2023 CDBG projects and CDBG projects thereafter where the total amount of Federal financial assistance exceeds \$250,000. For more information regarding BABAA, please visit [here](#).

Proposal Guidance

Technical assistance regarding eligible projects, project concepts, the application guidelines, and other information pertaining to the CDBG Community Revitalization Program is available upon request.

Applicants are encouraged to contact the staff person listed below anytime they are uncertain about program requirements, project conceptualization, or any portion of the application process and/or guidelines.

CDBG Community Revitalization Application inquiries may be directed to:

Karen Adair, karen.adair@okcommerce.gov, 800-879-6552, or 405-764-5164

SECTION TWO: REQUIRED DOCUMENTATION

The following narration provides detailed guidance regarding the documents needed to submit a complete CDBG Community Revitalization application. Please note that the documentation in items One (1) through Four (4) can only be completed online at the *OKGrants*' website. Items Five (5) through Thirteen (13) are attachments that are required to be completed and then electronically uploaded via the internet to the *OKGrants*' website.

1. Application Summary and Certification (*OKGrants* - Online Completion Only)

The summary requests general information about the applicant and must be completed in full. The certification attests to the accuracy and completeness of the application.

2. Detailed Line Item Budget (*OKGrants* - Online Completion Only)

The proposed activities should be highly detailed because they will provide the basis of your contract and project budget should you receive funding.

As referenced in (24 CFR 570.201-204) and (CPD Notice 13-07), costs incurred as a direct result of implementing and executing eligible CDBG activities are known as "Activity Delivery Costs". These costs are directly attributable to an eligible CDBG project activity. Under the State's CDBG Community Revitalization set-aside, the maximum amount of CDBG funds that may be used for Activity Delivery Costs by a CDBG certified administrator is eight percent (8%) of the total CDBG construction and professional/non-construction funds provided.

3. Consultant Form (*OKGrants* - Online Completion Only)

4. Audit (*OKGrants* - Online Completion Only)

TOWNS AND CITIES (COUNTIES ARE EXEMPT) MUST SUBMIT A COPY OF THEIR AUDIT OR THE AGREED UPON PROCEDURES BY THE APPLICATION DEADLINE. ALL TOWNS AND CITIES THAT HAVE A JUNE 30, FISCAL YEAR END DATE ARE REQUIRED TO SUBMIT A COPY OF THEIR FY 2024 AUDIT AND TOWNS AND CITIES THAT HAVE A DECEMBER 31, FISCAL YEAR END DATE ARE REQUIRED, AS A MINIMUM, TO SUBMIT A COPY OF THEIR FY 2023 AUDIT. NO APPLICATION WILL BE CONSIDERED FOR REVIEW OR FUNDING THAT DOES NOT MEET THE REQUIREMENTS STATED ABOVE.

If the city or town receives less than \$50,000 in annual revenues from its normal business and does not have an audit or agreed upon procedure, the city or town cannot apply directly to ODOC/CD. If the County chooses to do so, the city or town can apply only by having the local County apply on their behalf.

An audit is required to be uploaded as part of the application process. Alternatively, the audit may also be submitted via postal mail to:

Oklahoma Department of Commerce
Financial Services
900 N. Stiles Ave.
Oklahoma City, OK 73104

General audit inquiries and questions regarding audit submissions should be directed to the Oklahoma Department of Commerce/Financial Services at 800-879-6552.

5. Applicant Resolution (Attachment A – Upload Form to OKGrants)

Applications must include a resolution passed by the current governing body requesting that assistance. The Resolution is required to be uploaded as part of the application process. A sample resolution is provided in Attachment “A” of the application. The Resolution is required to be signed and dated by the chief elected official. The Resolution also requires a Town/City/County seal, or it must be notarized in lieu of the seal.

6. Citizen Participation Requirements (Attachment B- Upload Form to OKGrants)

All applicants, to apply for CDBG assistance, must complete and document the following requirements: (1) create and adopt a Written Citizen Participation Plan and (2) hold an application phase public hearing regarding the CDBG Community Revitalization Program. The Citizen Participation document is required to be uploaded as part of the application process.

Citizen Participation Plans must be officially adopted and followed by all applicants and submitted as Attachment “B” in the application. Re-stating the Citizen Participation Plan outline requirements does not constitute a valid plan. Applicants must clearly state the actions they will undertake to meet the requirements of Written Citizen Participation Plans. (Sample Citizen Participation Plan can be found in the Attachment “B” of the application.) Applicants may readopt prior years Citizen Participation Plans provided that the previous plan has been reviewed and updated as needed to adequately support the proposed project.

Documentation of the “application phase” Public Hearing is also an application requirement. Acceptable documentation consists only of the **affidavit of publication, official posting announcing where and when the hearing is to be held along with a listing of the posting locations** (posting is an acceptable method of advertising only where it is the standard method used by a unit of local government to provide notice of official meeting), or a copy of the newspaper article announcing the public hearing.

ODOC/CD requires that no less than seven (7) WORKING DAYS be given as advance notice of the application phase Public Hearing or any subsequent public meetings held for the purpose of discussing project activities as they relate to the CDBG Community Revitalization grant funds.

ADDITIONALLY WHEN POSTING DO NOT COUNT THE DAY OF THE POSTING, BUT THE DAY AFTER AS DAY ONE (1). If the posting is not posted as instructed, a failed application will result.

All written Citizen Participation Plans must explain how an Applicant unit of local government will:

1. Provide for and encourage citizen participation, particularly by low and moderate-income persons who reside in areas where CDBG Community Revitalization funds are proposed to be used.
2. Ensure citizens will be given reasonable and timely access to local meetings, information and records relating to the unit of local government's proposed and actual use of the CDBG Community Revitalization funds, including, but not limited to, the following:

-
- (a) The amount of CDBG Community Revitalization funds expected to be made available for the current fiscal year if the project is approved;
 - (b) The range of activities that may be undertaken with CDBG Community Revitalization funds;
 - (c) The estimated amount of CDBG Community Revitalization funds proposed to be used for activities that will meet the National Objective of benefit to low and moderate-income persons;
 - (d) The proposed CDBG Community Revitalization activities likely to result in displacement and the sponsoring unit of local government's anti-displacement and relocation plans developed in accordance with Section 104(d)(1) and (2) of the Act; and
 - (e) The basis on which the sponsoring unit of local government may provide technical assistance to groups' representative of persons of low and moderate-income that request assistance in developing proposals. The level and type of assistance to be provided are at the discretion of the sponsoring unit of local government. Such assistance need not include providing funds to such groups.
 3. Provide for a minimum of two (2) public hearings; one prior to submission of the application for funding of the project that favors the purpose of obtaining citizens' views and formulating or responding to proposals and questions; the other at the end of the grant period, if the Applicant receives funding, that discusses Grantee performance. There must be reasonable notice of the public hearings **(ODOC/CD requires no less than seven (7) working days)**, and they must be held at times and locations convenient to potential or actual beneficiaries, with accommodations for people with disabilities.
 4. Meet the needs of residents with limited English proficiency (LEP) in the case of public hearings where a significant number of LEP residents can reasonably be expected to participate.
 5. Provide citizens with reasonable advance notice **(ODOC/CD requires no less than seven (7) working days)**, and the opportunity to comment on proposed activities not previously described in a unit of local government's funding request and activities which are proposed to be deleted or substantially changed in terms of purpose, scope, location or beneficiaries. Substantially changed means changes made in terms of purpose, scope, location or beneficiaries.
 6. Provide the place, phone numbers, and times where and when citizens are able to communicate when submitting written complaints and grievances; the process the unit of local government will use to provide for a timely written answer to written complaints and grievances, within fifteen (15) working days where practical.
 7. The application phase public hearing must, at a minimum, address the following topics:
 - (a) Community development and housing needs;
 - (b) CDBG Community Revitalization Program purpose, i.e. meeting the LMI National Objective;

(c) The development of proposed activities.

8. The Citizen Participation Plan is required to be signed and dated by the chief elected official. The Citizen Participation Plan also requires a Town/City/County seal, or it must be notarized in lieu of the seal.

7. Certified Engineering, Arch. & Professional Cost Estimates (Attachment C – Upload to OKGrants)

All cost estimates shall be obtained from professional sources and are required to be uploaded as part of the application process. These estimates must be certified and from professional engineers, architects, construction companies, vendors, or appropriate personnel with experience to make such estimates. All estimates must be signed and dated and sealed (if applicable). However, when the application is for new building construction or improvements to an already existing building, the applicant must adhere to 59 O.S. §46.21b and 74 O.S. §324.11 as amended.

Preliminary Engineering and Architectural expenses are an eligible cost to the CDBG Community Revitalization contract if budgeted for in the application and the application is approved for funding. ODOC/CD will allow a maximum of 2% for preliminary engineering or architectural costs. This percentage is based on the total proposed CDBG Community Revitalization activity dollars using the following Rural Economic and Community Development engineering fee table below. Engineering and architectural services paid for with CDBG Community Revitalization funds must be procured in accordance with ODOC/CD procedures.

The maximum amount of CDBG Community Revitalization funds that may be used for final engineering and architectural is based on the total proposed CDBG Community Revitalization activity dollars using the following Rural Economic and Community Development engineering fee table:

USDA – RURAL DEVELOPMENT ENGINEERING FEE TABLE:

Proposed CDBG Construction Amount	Percentage Limit
\$60,000	13.2
\$70,000	12.6
\$80,000	12.3
\$90,000	12.0
\$100,000	11.9
\$200,000	10.5
\$300,000	9.7
\$400,000	8.9
\$500,000	8.5
\$600,000	8.2
\$700,000	8.0
\$800,000	7.8
\$900,000	7.7
\$1,000,000	7.5
\$2,000,000	6.7

\$3,000,000	6.4
\$4,000,000	6.3
\$5,000,000	6.2

The maximum amount of CDBG Community Revitalization funds that may be used for resident inspection is based on the total proposed CDBG Community Revitalization activity dollar costs using the USDA-Rural Development resident inspection fee table below:

USDA – RURAL DEVELOPMENT RESIDENT INSPECTION FEE TABLE:

Proposed CDBG Construction Amount	Percentage Limit
\$100,000 or less	5.0 (or negotiated lump sum)
\$200,000	4.2
\$300,000	3.8
\$400,000	3.5
\$500,000	3.2
\$600,000	3.0
\$700,000	2.8
\$800,000	2.65
\$900,000	2.5
\$1,000,000	2.4
\$2,000,000	2.3
\$3,000,000	2.2
\$4,000,000	2.1
\$5,000,000	2.0

The limitations are to be used by applicants as guides for CDBG Community Revitalization project proposal budgeting only. ODOC/CD does not mean to imply that percentage of professional and construction engineering fee contracts are acceptable. In the event a grant is awarded and CDBG Community Revitalization funds are used to pay for professional and construction engineering services, only lump sum or fixed price contracts for those services will be acceptable when procured in accordance with the CDBG Project Management Guide Policies and Procedures.

ODOC/CD reserves the right to review, question, realign and/or negotiate any part of an Applicant's proposed project costs including, but not limited to, engineering and/or resident inspection fees, administrative costs, leverage, all elements of construction costs, etc. Applicants should be prepared to justify the costs associated with their entire project. Any proposed costs that cannot be fully justified and/or documented shall be subject to change by ODOC/CD.

8. Applicant/Recipient Disclosure/Update Report – HUD Form 2880 (Attachment D – Upload Form to OKGrants)

This form must be completed if the minimum requirements of the disclosure are met and certified by the interested parties as set forth in the disclosure. The Applicant/Recipient Disclosure/Update Report is required to be uploaded as part of the application process.

9. Leverage (Attachments E1, E2, E3 – Upload Forms to OKGrants)

Leverage is not a threshold requirement. However, applicants will be rated on their ability to integrate the use of additional funds to carry out CDBG Community Revitalization projects. Leverage will be valued using full value for cash leverage.

Proposed leverage must be directly related to the proposed CDBG Community Revitalization project. Leverage may consist of cash or in-kind contributions. This leverage may consist of cash or in-kind contributions. However, ONLY cash-based leverage will be subject to receiving application points. Cash includes other federal/state grants and loans and capital improvement funds set-aside for a specified purpose in the municipal and/or county budget. Cash also includes the fair market value of land, building, or materials portion of infrastructure improvements. In-kind includes the value of force account labor, voluntary labor (\$10.00 per hour) or the services and supplies provided by another local entity.

Activity Delivery costs may be donated as “in-kind” leverage. However, the amount of activity delivery costs for CDBG Community Revitalization projects is established at 8% of the CDBG Community Revitalization award. Therefore, any value of administrative services above that amount cannot be considered as leverage.

The value of in-kind contributions must be reasonable and verifiable. ODOC/CD reserves the right to require additional documentation of the value and extent of in-kind contributions. ODOC/CD will utilize professional engineers and/or other appropriate personnel to ascertain the validity of the in-kind contributions. Penalties such as deobligation of the grant, reduction of the grant amount or other measures deemed appropriate by ODOC/CD may be assessed for in-kind contributions not materializing. Additionally, if the applicant wishes to use volunteer labor, it might want to review its exposure to any potential liability before submitting the application.

10. LMI Documentation (Attachment F – Upload to OKGrants) As Applicable

The following are mandatory uploads for those applicants conducting Random Sample Income Surveys:

- a. LMI Beneficiary Summary Form – (Blank Copy Attachment F) *NOTE: The LMI Beneficiary Summary Form summarizes the beneficiary data and uploaded Field Survey Sheets on one form and is required to be filled out (as applicable). Please follow the form's instructions for completion. If any of the numbers on Attachment F are manually changed by the applicant, the application will automatically fail.*
- b. Random Number Table
- c. Survey Map
- d. Copy of the Original LMI Field Survey Sheets

CDBG Community Revitalization applicants must qualify their project activities under the low and moderate-income National Objective.

(a) Qualifying under the National Objective of Benefit to Low and Moderate-Income Person.

To qualify for CDBG Community Revitalization funding under the National Objective of benefit to low and moderate-income persons, the proposed project activities must show a positive or general improvement of living condition in a definable geographic target area where at least 51% of the occupied households/homes are of low and moderate-income families. Low and moderate-income families have an income equal to or less than the current Section 8 low-

income limits established by the United States Department of Housing and Urban Development (HUD), (Appendix D of this guidance document).

Each activity proposed for funding with CDBG Community Revitalization dollars claiming the National Objective of benefit to low and moderate-income persons, must provide data indicating the percentage of low and moderate-income beneficiaries.

Various questions must be answered before determining whether an activity proposed for CDBG Community Revitalization funding provides benefit to principally low and moderate-income families. Questions to be answered include: (1) How does the proposed activity serve the residents of the geographic target area in which it is taking place? (2) Which occupied households/homes within the geographic target area are directly affected or impacted by the proposed activity? (3) Is there a larger set of households/homes that will be served by the proposed activity?

Once the beneficiaries for each activity proposed for funding with CDBG Community Revitalization dollars have been identified, the next step is to document the percentage of low and moderate-income households/homes that will benefit from each of those activities. This is best accomplished by performing an income survey to determine family incomes.

However, in some very limited cases, Census data may be used to document the percentage of low and moderate-income families receiving benefit. However, the use of any Census data to document the percentage of low and moderate-income beneficiaries for any CDBG Community Revitalization funded activity requires prior ODOC/CD review and approval. Any applicant intending to use Census data to document the project's percentage of low and moderate-income beneficiaries must contact ODOC/CD CDBG Planner via email thirty (30) days PRIOR to the application's submission deadline. The use of Census data has several HUD mandated procedural requirements and is subject to various use related restrictions. These requirements and restrictions are best directly discussed with the ODOC/CD CDBG Program Planner to receive the proper guidance on meeting HUD Census based eligibility and compliance requirements. **An applicant's failure to obtain prior ODOC/CD review and approval of the use of Census data to qualify the proposed CDBG project will result in a FAILED threshold rating.**

Please note that if the available Census data geographies do not reasonably correspond to the service area, it will not be appropriate to use Census data to qualify a low and moderate-income activity. Applicants will then be required to conduct a targeted local income survey in order to determine low and moderate-income compliance for the specific service area.

Applicants may not prorate the Census data when a given service area includes a portion of a geography from published datasets. The low and moderate-income determination shall be made based on the entirety of the data of the census geography which the service area both completely encloses and significantly overlaps.

Income survey techniques consist of door-to-door surveys, telephone surveys, mail surveys, or any combination of the three. Regardless of the technique used, an Applicant must be able to link each income response to a specific family within a specific household/home. Blind survey techniques that cannot match households/homes and their respective family incomes will not be accepted, as they do not allow for verification should it become necessary.

For all FY 2025 income surveys, applicants must use the provided HUD Income Limits included in this Application Guidance; Any other numbers used will result in a failed application with the exception of the Income Surveys that have been conducted within the previous five program years (FY 2020, 2021, 2022, 2023, or 2024). To be eligible for previous program years' surveys, the Applicant will be responsible for providing copies of the original Field Survey Summary Sheet, Survey Field Sheets, Random # Table, and Survey Map. Only the Random Sample Survey methodology will be accepted by ODOC/CD.

(b) Conducting an Income Survey

For those applicants conducting Random Sample Income Surveys, a sample Field Survey Form can be found in Appendix "A" of this guidance document. All applicants are required to complete the Direct Project Beneficiary Income Survey Summary located in the online application at OKGrants. Additionally, the following LMI documentation is required to be uploaded the Application "UPLOADS" section of OKGrants: 1. Upload a copy of the Random Number Table that was generated by ODOC/CD to perform the survey. 2. Upload a color-coded map that identifies each surveyed home's income status (above or below low and moderate-income status); the location of all proposed CDBG and leverage activities, and the central business district. 3. Upload all scanned copies of the original Direct Beneficiary Income Field Survey sheets. 4. Upload a copy of the LMI Beneficiary Summary Form. (A blank copy of this form is in Attachment F) *NOTE: The LMI Beneficiary Summary Form summarizes the uploaded Field Survey Sheets on one form and is required to be filled out to include: Town/City/Target Area, County, and Survey Date.*

An overview of the Random Sample Survey procedures is provided below.

- Step 1.** List by name and address, the number of households within the geographic area to be covered by the project (for example, the following listings may be used to identify the number of households within your universe: water billing, wastewater billing, 911 emergency service databases, or in the case of a county, the voting rolls).
- Step 2.** Alphabetize your universe by last name (all households); or list in ascending or descending order by account numbers. This establishes a random distribution for your universe.
- Step 3.** Number all households composing your universe.
- Step 4.** Based on the number of households provided, a random survey sample will be generated by ODOC/CD and provided to the Applicant along with the required response rate that must be achieved.
- Step 5.** Match the random sampling numbers to your numbered household universe and survey those locations. For example, if the random sample provided by ODOC/CD is "#47", match that number 47, to the 47th entry on your numbered universe and survey that location. Continue to survey until you have achieved the required response rate. Do not over survey.
- Step 6.** Survey using the "Direct Project Beneficiary Income Survey Field Worksheet" provided in the appendix to this application packet (these working papers are to be

retained with the permanent records of the unit of local government) and the low-income figures for your county (provided in Appendix “A”).

- Step 7.** Complete the “LMI Beneficiary Summary Form” attached in the Application Guidelines and upload the form into the online OKGrants Application “Uploads” section.

The table below provides the sample size of households that must be surveyed compared to the number of households identified in the target area. For example: If you had 230 occupied households in the target area you would need to survey 150 occupied households.

Required Sample Sizes for Universes of Various Sizes:

Number of Occupied Households in Target Area	Survey Sample Size
1 - 55	50 or all if less than 50 households in universe
56 - 63	55
64 - 70	60
71 - 77	65
78 - 87	70
88 - 99	80
100 - 115	90
116 - 138	100
139 - 153	110
154 - 180	125
181 - 238	150
239 - 308	175
309 - 398	200
399 - 650	250
651 - 1,200	300
1,201 - 2,700	350
2,701 or more	400

The results of the Random Survey **must be clearly shown on a map** that identifies each surveyed home with the low and moderate-income homes designated with a distinct color. Applicants performing income surveys are cautioned that incorrectly administered surveys or their resulting data regarding low and moderate-income percentage claims will be rejected. **Failure to include a properly marked map with the application will result in rejection and return of the application.**

Determining the beneficiaries and performing a survey for any activity under any project category is critical. ODOC/CD guidance regarding beneficiaries and surveys is well advised. Therefore, all Applicants should take the time to discuss their project activities and surveys with ODOC/CD staff before performing their survey(s). Seasonal (or Part-time) residents (e.g., migrant farmers who reside in manufactured homes) may not participate in an income survey if their benefit of a service or an activity is incidental. For example, the use of a library or senior center by seasonal residents would be considered an incidental benefit. Season residents may participate in income surveys for CDBG funded activities such as installation of sewer lines and sewage treatment plants. This would also include water activities.

11. W-9 Form & Instructions (Attachment G – Upload Form to OKGrants)

The W-9 form (Taxpayer Identification Number & Certification) is required to be filled out in full and uploaded as part of the application process.

12. Insurance Verification (As Applicable) (Attachment H – Upload to OKGrants)

Applicants must certify that if the proposed project is funded by CDBG Community Revitalization dollars it will be properly insured for the life of the asset. Proper insurance for buildings includes property and liability insurance coverage. When the project includes vehicles, proper insurance will include liability, comprehensive and collision coverage.

13. SAM.gov Exclusion / Debarment Verification (Attachment I – Upload to OKGrants)

SECTION THREE: THRESHOLD CRITERIA

Under this broad category, an Applicant may submit a project proposal for any eligible activity listed under Section 105(a) of the Federal Housing and Community Development Act of 1974, as amended, and 24 CFR Part 570 as applicable, other than water or wastewater projects.

Applications received under this set-aside will be scored competitively against one another regardless of project type.

The grant maximum for the CDBG Community Revitalization application is **\$300,000**. The maximum amount of CDBG Community Revitalization funds that may be used for Activity Delivery Cost is eight percent (8%) of the total CDBG Revitalization funds **awarded for the total construction and professional/non-construction funds provided. Applications will be accepted through March 28, 2025**. Applications received after this date will NOT be considered for funding. Additionally, CDBG Community Revitalization projects not meeting all threshold requirements will NOT be considered for funding.

Threshold Criteria for CDBG Community Revitalization Set-aside

1. CDBG Community Revitalization requests for funds must meet the principle CDBG National Objective of providing a direct benefit (fifty-one percent [51%] or more) to persons of low and moderate-income.
2. A proper sponsor for CDBG Community Revitalization projects is defined as a Unit of Local government with direct jurisdiction over the majority (60%) of the proposed project beneficiaries.
3. Applicants can apply for up to a \$300,000 grant maximum. Applicants may not apply for more than one (1) project activity per application under this CDBG Community Revitalization set-aside.
4. Proof that citizen participation requirements have been met, as evidenced by an application phase public hearing and written Citizen Participation Plan.
5. All cost estimates shall be obtained from professional sources and submitted with the application. These estimates must be signed, dated, and sealed/certified from professional engineers, architects, construction companies, vendors, or appropriate personnel with experience to make such estimates.
6. Cities, towns, and counties with previous CDBG funding must have ALL close-out documents submitted by January 31, 2025.

(a) City/Town and County (Direct Jurisdiction) Applicants: **City/Towns and Counties receiving a direct jurisdictional benefit may submit only one (1) grant application per CDBG Program Year** selecting from CDBG Water/Wastewater Engineering, CDBG Water/Wastewater Construction, CDBG Community Revitalization, or CDBG Rural Economic Action Plan (REAP). A City/Town and County (Direct Jurisdiction) cannot submit a CDBG application if it currently has an open CDBG grant. **Exclusions:** Economic Development Infrastructure Financing (EDIF), Capital Improvement Planning (CIP) and Disaster Recovery

(DR). Typical County direct jurisdiction CDBG application projects are roads, bridges, County hospital, etc.

(b) County Sponsored Applicants: Counties acting in a “sponsorship” capacity may submit a maximum of one sponsored CDBG grant application per CDBG Program Year selecting from Water/Wastewater Engineering, Water/Wastewater Construction, Community Revitalization, or Rural Economic Action Plan (REAP). **Limitation: Counties may ONLY have one (1) open sponsored CDBG grant and still make another sponsored CDBG application. Counties cannot exceed a maximum number of two open sponsored CDBG grants open at any given time. Exclusions:** Economic Development Infrastructure Financing (EDIF), Capital Improvement Planning (CIP) and Disaster Recovery (DR). Counties may sponsor applications where they do not have direct jurisdiction over certain public functions. Generally, these are communities with less than \$50,000 in revenue, Rural Water Districts, and Rural Fire Districts. Counties CANNOT submit a single application containing multiple Units of General Local Governments or jurisdictions such as Rural Fire Districts under a single county sponsored application.

7. The CDBG Community Revitalization grant request cannot exceed \$2,000 per beneficiary.
8. TOWNS AND CITIES (COUNTIES ARE EXEMPT) MUST SUBMIT A COPY OF THEIR AUDIT OR THE AGREED UPON PROCEDURES BY THE APPLICATION DEADLINE. ALL TOWNS AND CITIES THAT HAVE A JUNE 30, FISCAL YEAR END DATE ARE REQUIRED TO SUBMIT A COPY OF THEIR FY 2024 AUDIT AND TOWNS AND CITIES THAT HAVE A DECEMBER 31, FISCAL YEAR END DATE ARE REQUIRED, AS A MINIMUM, TO SUBMIT A COPY OF THEIR FY 2023 AUDIT. NO APPLICATION WILL BE CONSIDERED FOR REVIEW OR FUNDING THAT DOES NOT MEET THE REQUIREMENTS STATED ABOVE.

If a city or town receives less than \$50,000 in annual revenues from its normal business and does not have an audit or agreed upon procedures, the city or town cannot apply directly to ODOC/CD. The city or town can apply only by having the local County apply on their behalf, if the County chooses to do so. Nothing contained herein mandates a County to act as an accommodating party.

9. Applicants must certify that if the proposed project is funded by CDBG Community Revitalization dollars it will be properly insured for the life of the asset (as applicable). Proper insurance for buildings includes both property and liability insurance coverage. When the project includes vehicles, proper insurance will include liability, comprehensive and collision coverage.
10. Applicants are responsible for accomplishing online application corrections/revisions along with any applicable application upload corrections/revisions as directed by ODOC/CD staff within the pre-determined deadline. In fairness to other applicants and to maintain HUD required CDBG funding expenditure rates; ODOC/CD can NOT indefinitely hold applications until the respective application corrections/revisions are accomplished. Applications will be considered INCOMPLETE if the prescribed corrections/revisions are not made to the application within the pre-determined deadline established by ODOC/CD. This will result in a **FAILED** threshold application rating.
11. The Application Guidelines associated with the CDBG Community Revitalization set-aside contains an APPLICATION FORMS CHECKLIST outlining all application related documentation required to be uploaded into the online OKGrants application. It is the

Applicant's responsibility to follow this checklist and seek additional guidance from ODOC/CD staff as required. Applicants will be responsible for following and providing each item listed on the checklist. **Failure to provide any of the required application documentation listed on the checklist will result in a FAILED application rating.** Additionally, Applicants must provide a response to all application questions and satisfy all documentation requirements delineated in the CDBG Community Revitalization Application Guidelines and online OKGrants Application System including, but not limited to: Resolution, income survey results, resolution requesting assistance, survey maps, certifications, HUD Form 2880 Applicant Recipient Disclosure Update Report, project budget, etc.

12. The application must sufficiently demonstrate an applicant's need for the requested CDBG activity. For any requested CDBG project, there is an underlying "need" for such a project. It is the responsibility of the applicant to provide ODOC/CD documentation supporting the need for a project request. Failure to adequately demonstrate a project need will result in a FAILED threshold application rating. The project need is communicated in the "Project Description" section of the "CDBG Application Summary" page of the online OKGrants application. if required, additional narratives and supporting documentation can be uploaded in the "Uploads" page of the OKGrants application.

SECTION FOUR: APPLICATION RATING CRITERIA

Rating Criteria for Community Revitalization

Applications which meet threshold requirements will be ranked for funding utilizing the following criteria:

1. Project Benefit to Low and moderate-income Percentage (2 - 15 points)

LMI %	Points	# LMI Persons	Points
51 - 55	1	0 - 250	1
56 - 60	2	251 - 500	2
61 - 65	3	501 - 750	3
66 - 70	4	751 - 1,000	4
71 - 75	5	Over 1,000	5
76 - 80	6		
81 - 85	7		
86 - 90	8		
91 - 95	9		
96 - 100	10		

2. Grant Request Amount (0 - 10 points)

Grant Request Amount	Points
\$275,000 - \$300,000	10
\$250,000 - \$274,999	9
\$225,000 - \$249,999	8
\$200,000 - \$224,999	7
\$175,000 - \$199,999	6
\$150,000 - \$174,999	5
\$125,000 - \$149,999	4
\$100,000 - \$124,999	3
\$75,000 - \$99,999	2
\$50,000 - \$74,999	1
\$50,000 – or less	0

3. Leverage (0 - 15 points)

Projects will be rated on their ability to integrate the use of funds other than CDBG Community Revitalization to carry out the proposed CDBG Community Revitalization project. **Leverage will be valued using full value for cash leverage. A maximum of 15 points is available for leverage.**

To level the playing field faced by smaller communities, a variable will be applied to the previously used ratio (total leverage to grant request amount ratio); based on the population figures found in the Appendix 'D' of this guide. These figures are compiled by the U.S Census Bureau and provided by the U.S. Department of Housing and Urban Development (HUD) and

are reported in conjunction with HUD's LMI qualification related documentation. Moreover, if the applicant is a county submitting on behalf of an unincorporated area, the maximum variable allowed (1.5) will automatically be applied.

Applicants with a population of 1,500 or less will receive a variable of one and a half (1.5). Those with a population of 1,501 to 3,500 will receive a variable of one and a quarter (1.25). Finally, applicants with a population of 3,501 and greater will receive a variable of one (1).

The leverage score will be calculated as follows:

Formula:

$$\begin{array}{rcl} \text{Cash Leverage} & \$ & \underline{\hspace{2cm}} \\ \text{CDBG Request Amount} & & \$ \underline{\hspace{2cm}} \\[10pt] \frac{\text{Cash Leverage}}{\text{CDBG Request Amount}} & \times & 15 = \text{Leverage Points} \end{array}$$

EXAMPLE A:

Cash Leverage \$ 50,000

CDBG Request Amount \$150,000

$$\frac{\$50,000}{\$150,000} \times 15 = 5 \text{ Points}$$

Example B: Based on the point award in Example 'A' above, the applicant has a population of 2,750 people. $5 \times 1.25 = 6.25$ points awarded.

Example C: Based on the point award in Example 'A' above, the applicant has a population of 1,200 people. $5 \times 1.5 = 7.5$ points awarded.

4. Previous Grant Award (0 - 10 points)

An applicant will be awarded points based on the CALENDAR YEAR & MONTH of closeout of the last (CDBG REAP, CDBG Community Revitalization, CDBG Water/Wastewater Engineering, CDBG Water/Wastewater Construction) award and the current CDBG Community Revitalization application submission deadline. **Exclusions:** Economic Development Infrastructure Financing (EDIF) and Capital Improvement Planning (CIP). The applicant will receive points based on the following scale:

- | | |
|---|-----------|
| A. Less than one year after grant closeout – | 0 Points |
| B. Greater than one year less than two years after grant closeout – | 1 Point |
| C. Greater than two years less than three years after grant closeout – | 2 Points |
| D. Greater than three years less than four years after grant closeout – | 4 Points |
| E. Greater than four years less than five years after grant closeout – | 6 Points |
| F. Greater than five years less than six years after grant closeout – | 8 Points |
| G. More than six years after grant closeout – | 10 Points |

EXAMPLE A: If an applicant successfully closed out a CDBG application in January of 2022. If the applicant applies for a CDBG Community Revitalization application in March of 2025, the applicant will receive four (4) points on a 2025 CDBG Community Revitalization application.

EXAMPLE B: If an applicant successfully closed out a CDBG application in April of 2022. If the applicant applies for a CDBG Community Revitalization application in March of 2025, the applicant will receive two (2) points on a 2025 CDBG Community Revitalization application.

5. Corrective Action Point Reduction (As Applicable) (Minus 2 points)

Applications requiring minor corrections will receive a maximum two (2) point scoring reduction. These applications require ODOC/CD to formally initiate the application to a “changes required” status in OKGrants and the applicant is then required to formally “submit” the application once again through the OKGrants system. The point reduction is applicable if the application needs a correction that does NOT immediately warrant a FAILED threshold rating but has an identifiable minor requirement or procedure that was not followed and can be easily corrected. Example: required documentation is submitted unsigned; incorrect budget numbers; incorrect LMI numbers, etc. The corrective action timeframe is four (4) workdays. Corrections that remain incomplete will result in a FAILED threshold rating. NOTE: Applicants will NOT be penalized for ODOC/CD requests for clarifying information or documentation required beyond that specified in the CDBG Application Guidelines or CDBG Application Guidelines errors/omissions which result in needed corrections.

Under extenuating circumstances, ODOC/CD will carefully consider correction related extensions provided legitimate reasons can be given for such time extensions. ODOC/CD will make the final determination if an extension is warranted. Corrective action time extensions will NOT be automatic and request for time extensions will be carefully considered by ODOC/CD. It will be the responsibility of the prospective applicant to make ODOC/CD aware of any issues that may affect the ability to meet the four (4) working day corrective action deadline.

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

DIRECT PROJECT BENEFICIARY INCOME SURVEY FIELD SHEET

Activity / Project: _____

Town / City or Target Area: _____ County: _____

Name & Title of Surveyor: _____ Survey Date: _____

[illegible][illegible]

APPENDIX B

LOW AND MODERATE INCOME LIMITS AND TABLE

The following definitions should be useful in the determination of a CDBG project's benefit to low and moderate income households.

Households - Household is defined as all persons who occupy a housing unit. The occupants may be a single-family, one person living alone, two (2) or more families living together, or any other group of related or unrelated persons who share living arrangements.

Low and Moderate Income Household - Low and moderate income household is defined as a household having an income equal to or less than the current Section 8 lower income limits established by HUD (please refer to the attached HUD Section 8 income limits).

HUD LOW / MODERATE INCOME PERCENTAGES (COUNTY)
