SECTION ONE: APPLICATION GUIDANCE

The purpose of this Application Guide is to provide guidance in preparing a Community Development Block Grant / Rural Economic Action Plan (CDBG REAP) application for the Oklahoma Department of Commerce / Community Development (ODOC/CD). This program was developed in partnership with the Sub-State Planning Districts (SSPD) to make a greater impact on each district by matching an applicant's requested CDBG REAP funds and State appropriated REAP funds dollar for dollar on each eligible project in their respective area. Listed below are the allocations available in each SSPD area.

SubState	CDBG Allowance	State REAP \$ Match
1. ACOG	\$136,363.63	\$136,363.63
2. ASCOG	\$136,363.63	\$136,363.63
3. COEDD	\$136,363.63	\$136,363.63
4. EODD	\$136,363.63	\$136,363.63
5. GGEDA	\$136,363.63	\$136,363.63
6. INCOG	\$136,363.63	\$136,363.63
7. KEDDO	\$136,363.63	\$136,363.63
8. NODA	\$136,363.63	\$136,363.63
9. OEDA	\$136,363.63	\$136,363.63
10. SODA	\$136,363.63	\$136,363.63
11. SWODA	\$136,363.63	\$136,363.63

Your local SSPD will receive, rate, and rank each application in their respective area. All completed CDBG REAP applications should be sent to your local Sub-State Planning District (Page #7) by their required application deadline. The applicant should contact their local Sub-State Planning District to verify their application deadline.

After each SSPD receives, rates, and ranks all applications in their area they will submit the applications that they recommend being awarded along with the points assigned to each rating criteria to the Oklahoma Department of Commerce/Community Development (ODOC/CD) for contract consideration. The maximum amount of CDBG REAP funds that may be used for activity delivery cost is eight percent (8%) of the total CDBG REAP funds awarded for the total construction and professional/non-construction funds provided. The SSPD must submit the applications to ODOC/CD no later than February 28, 2025. Applications submitted after this date will NOT be considered for funding.

Applicants are required to complete and submit their respective application and applicable attachments online at the following *OKGrants* web address: https://grants.ok.gov. NO PAPER APPLICATIONS WILL BE ACCEPTED. Application guidelines containing the specific program requirements for the CDBG REAP application is available on ODOC/CD's website: https://www.okcommerce.gov/community-development/. WARNING: Prospective applicants should review the application guidance BEFORE attempting to complete the online application. Failure to meet application guidelines or properly submit required application documentation may result in a FAILED or DENIED application rating.

Section One 2 2025 CDBG REAP

National Objective-CDBG Funds

The primary National Objective of the Community Development Block Grant (CDBG) Program is the "development of viable urban communities by providing decent housing and a suitable living environment, particularly for **persons of low and moderate-incomes**."

The CDBG National Objective "benefit to low and moderate-income persons" is considered a funding PRIORITY under the State's CDBG Program and is treated as such under the State's individual CDBG set asides. All project proposals submitted for funding through the State's CDBG Program must document the achievement of the low and moderate-income National Objective as delineated in 24 CFR §570.483 (Criteria for National Objectives).

✓ Provide benefit to low and moderate-income persons.

Eligible Entities

Eligible applicants for the CDBG REAP Program are units of local government (incorporated towns, cities, and counties) that are **not** participants in the CDBG Entitlement Program and that are State appropriated REAP funding eligible as identified by the Sub-State Planning District and in accordance with 62 O.S. § 2006 et al as amended. Oklahoma's entitlement cities are Edmond, Enid, Lawton, Midwest City, Moore, Norman, Oklahoma City, Shawnee, and Tulsa as well as the units of local government participating in the CDBG Urban County Designation for Tulsa County which consists of the following:

City of Bixby City of Jenks City of Skiatook City of Broken Arrow City of Owasso Town of Sperry

City of Collinsville City of Sand Springs Unincorporated Tulsa County

City of Glenpool City of Sapulpa

Application Submission Requirements

- 1. City/Town and County (Direct Jurisdiction) Applicants: City/Towns and Counties receiving a direct jurisdictional benefit may submit only one (1) grant application per CDBG Program Year selecting from CDBG Water/Wastewater Engineering, CDBG Water/Wastewater Construction, CDBG Community Revitalization, or CDBG Rural Economic Action Plan (REAP). A City/Town and County (Direct Jurisdiction) cannot submit a CDBG application if it currently has an open CDBG grant. Exclusions: Economic Development Infrastructure Financing (EDIF), Capital Improvement Planning (CIP) and Disaster Recovery (DR). Typical County direct jurisdiction CDBG application projects are roads, bridges, County hospital, etc. In the case of fire truck funding requests, the County would have to own and operate the fire trucks to qualify under direct jurisdictional benefit.
- 2. County Sponsored Applicants: Counties acting in a "sponsorship" capacity may submit a maximum of one sponsored CDBG grant application per CDBG Program Year selecting from Water/Wastewater Engineering, Water/Wastewater Construction, Community Revitalization, or Rural Economic Action Plan (REAP). Limitation: Counties may ONLY have one (1) open sponsored CDBG grant and still make another sponsored CDBG application. Counties cannot exceed a maximum number of two open sponsored CDBG grants open at any given time. Exclusions: Economic Development Infrastructure Financing (EDIF), Capital Improvement Planning (CIP) and Disaster Recovery (DR). Counties may sponsor applications where they do not have direct jurisdiction over certain public functions. Generally, these are communities with less than \$50,000 in revenue, Rural Water Districts, and Rural Fire Districts. Counties CANNOT submit a single application containing multiple Units of General Local

Governments or jurisdictions such as Rural Fire Districts under a single county sponsored application.

Proper Sponsors

The process of determining which unit of government (a town, city or county) should submit or sponsor an application for CDBG REAP assistance must include an examination of the relationship between the location of proposed improvements in the service delivery area, and the proposed beneficiaries. The unit of government with direct jurisdiction over the majority (60%) of the proposed beneficiaries must be the sponsor or applicant for CDBG REAP funds. However, if no unit of local government has 60% of the proposed beneficiaries, then the unit of local government with the majority of proposed beneficiaries must sponsor the application for grant assistance. Also, in some instances a county may apply on behalf of a town or city that cannot meet the minimum \$50,000 annual revenue financial requirements identified in the Threshold Requirements in this guide. Prospective applicants are advised to contact ODOC/CD BEFORE application submission regarding any questions relating to proper sponsorship should any additional clarification be required.

CDBG REAP Projects – Use of Funds

Each state administering the CDBG program is allowed the flexibility of determining its priorities from the range of eligible activities under Section 105(a) of the Housing and Community Development Act. To formulate the State's CDBG program, views on priorities are requested and received from the general public, municipalities, and counties through written surveys, public hearings and written comments on proposed plans. This input has resulted in the establishment of the following activities eligible under the current State's CDBG REAP program:

Under the CDBG REAP set-aside, an applicant may submit a project proposal for any eligible activity listed in Section 105(a) of the Federal Housing and Community Development Act of 1974, as amended. In addition to Section 105(a) of the Federal Housing and Community Development Act of 1974, applicants are highly encouraged to consult the Code of Federal Regulations (CFR) as it relates to the U.S. Housing and Urban Development's (HUD) CDBG Program.

Title 24 → Subtitle B → Chapter V → Subchapter C → Part 570

TITLE 24—Housing and Urban Development

Subtitle B—REGULATIONS RELATING TO HOUSING AND URBAN DEVELOPMENT (CONTINUED)

CHAPTER V—OFFICE OF ASSISTANT SECRETARY FOR COMMUNITY PLANNING AND DEVELOPMENT, DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

SUBCHAPTER C—COMMUNITY FACILITIES

PART 570—COMMUNITY DEVELOPMENT BLOCK GRANTS

24 CFR Part 570 Subparts "A", "C", "I", "J", "K", and "M" are applicable to the State's CDBG program. It is recommended that applicants access the online CFR version at https://www.ecfr.gov provided by the U.S. Government Publishing Office (GPO). Subparts "C" (24 CFR §570.201), (24 CFR §570.207) and "I" (24 CFR §570.482) will provide applicants with guidance as it specifically relates to CDBG project/activity eligibility. Applicants are advised to

contact ODOC/CD BEFORE application submission regarding any questions relating to project/activity eligibility should any additional clarification be required.

It should be noted that while ODOC/CD highly encourages applicants to seek additional clarification regarding CDBG eligibility that the official and final eligibility is determined upon application review. It should be acknowledged that ODOC/CD does not conduct official pre-application reviews. Should additional eligibility assistance be requested, it is important to keep in mind that ODOC/CD is providing this assistance without the aid of any application specific documentation. In some cases, the lack of additional project related information such as that contained in the submitted application may result in a different eligibility determination upon final application review. Also, any comments or observations are being presented in consideration that all other CDBG Program thresholds will be met in the final application.

Under CDBG REAP, projects could include:

- ✓ Fire Protection (Fire Trucks) (See Note¹ Below)
- ✓ Streets (See Note² Below)
- √ Housing "As defined under HCDA Section 105(a)(15), 24 CFR 570.204, 24 CFR 570.207(b)(3)"
- ✓ Senior Citizen Centers
- ✓ Community Centers
- ✓ Public Library
- ✓ Gas & Electrical System Improvements
- ✓ Removal of Architectural Barriers Associated with Handicap Access
- ✓ Storm Water Drainage Improvements
- ✓ Water / Wastewater Improvements

*Note¹ - Special Note Regarding Equipment Related Activities: 24 CFR §570.207 (Ineligible Activities) ODOC/CD will NOT fund Equipment Only CDBG REAP applications except as provided for under CDBG regulations. One notable exception as noted in the regulations would be the eligibility of fire protection equipment such as fire trucks.

The purchase of equipment under CDBG is generally ineligible except under very limited conditions as outlined in 24 CFR §570.207. The following excerpt is taken from 24 CFR §570.207. Applicants are encouraged to review the entire regulation and should immediately consult ODOC/CD should there be questions as to the eligibility of their prospective project funding request.

The general rule is that any activity that is not authorized under the provisions of §570.201-570.206 is ineligible to be assisted with CDBG funds. This section identifies specific activities that are ineligible and provides guidance in determining the eligibility of other activities frequently associated with housing and community development.

(a) The following activities may not be assisted with CDBG funds:

- (1) Buildings or portions thereof, used for the general conduct of government as defined at §570.3(d) cannot be assisted with CDBG funds. This does not include, however, the removal of architectural barriers under §570.201(c) involving any such building.
- (b) The following activities may not be assisted with CDBG funds unless authorized under provisions of §570.203 or as otherwise specifically noted herein or when carried out by an entity under the provisions of §570.204.

- (1) Purchase of equipment. The purchase of equipment with CDBG funds is generally ineligible.
 - (ii) *Fire protection equipment.* Fire protection equipment is considered for this purpose to be an integral part of a public facility and thus, purchase of such equipment would be eligible under §570.201(c).

*Note² - Special Note Regarding Street/Road Projects:

Under most situations, street/road project beneficiaries will only be those households directly adjacent to the proposed street/road project. If multiple streets/roads are involved in the project request, the street/roads projects should be contiguous. Otherwise, in most cases this would result in the need for separate LMI surveys to be conducted and would not qualify under "Project Definition" addressed in this application guideline. It is highly recommended that an applicant contact ODOC/CD before attempting to conduct a LMI survey for a proposed street/road project or automatically attempting to qualify a proposed street/road project based on the published automatic LMI qualification table contained in the CDBG REAP Application Guidelines. Applicants will be required to send a project map should they need assistance.

CDBG REAP Projects – Project Descriptions

Project descriptions are required as part of the OKGrants' CDBG REAP application. Unlike large-scale water and wastewater projects which benefit from the submission of a detailed preliminary engineering report, the CDBG REAP set-aside allows for projects which require the applicant to formulate a detailed project description. For any requested CDBG project, there is an underlying "need" for such a project. It is the responsibility of the applicant to communicate to ODOC/CD why the particular CDBG activity is being requested in the application. Failure to adequately demonstrate a project need will result in a FAILED threshold application rating. The project need is communicated in the "Project Description" section of the "CDBG Application Summary" page of the online OKGrants application. Additional narratives and supporting documentation can be uploaded in the "Uploads" page of the OKGrants application if required.

Example One – Fire Truck

- A. Describe the fire truck. What is the specific type of truck's purpose and how will it specifically benefit the applicant if funded? Applicants cannot simply write "Fire Pumper Truck". This is inadequate. Applicants cannot simply justify need such as "new fire truck in order to lower ISO insurance rates" or simply state "increased reliability" without stating the issues with the current equipment that is being replaced.
- B. Substantiate the need for the number of units requested. Obviously, this is only applicable if more than one unit is requested.
- C. Is this unit new, additional, or a replacement? Describe why the new, additional, or replacement unit is required.
- D. It is suggested that a picture representative of the proposed fire truck being requested with the CDBG funding be uploaded into the OKGrants application. Understandably at the time of application, this picture will not be the actual fire truck, but it will help the reviewer better understand the specific type of project request.

Example Two – Street Resurfacing

A. Describe the street resurfacing. What is the specific construction activity taking place and how will it specifically benefit the applicant if funded? Simply stating that the road will be smoother to drive on is considered inadequate.

B. What is location and/or name of the street that will undergo construction? Understandably, applicants are required to provide a visual map as part of the application, but the written location is required for ODOC/CD's HUD related CDBG Program performance data.

State Appropriated Rural Economic Action Plan (REAP) Funds

State appropriated Rural Economic Action Plan (REAP) funds are provided by the State Legislature to the eleven (11) Sub-State Planning Districts. Utilization of these funds entails a variety of community and economic development projects. State appropriated REAP funds are available only to communities that are State appropriated REAP eligible as identified by the Sub-State Planning District. To inquire about State appropriated REAP funds, you can contact one of the listed eleven Sub-State Planning Districts:

1. ACOG Association of Central Oklahoma Governments 4205 N. Lincoln Blvd., OK City, OK 73105 (405) 234-2264 www.acogok.org Counties Served: Canadian, Cleveland, Logan, Oklahoma 2. ASCOG Association of South Central Oklahoma Governments PO Box 1647, Duncan, OK 73534 (580) 252-0595 www.ascog.org Counties Served: Caddo, Comanche, Cotton, Grady, Jefferson, McClain, Stephens, Tillman COEDD Central Oklahoma Economic Development District 400 N Bell, Shawnee, OK 74804 (405) 273-6410 www.coedd.net Counties Served: Hughes, Lincoln, Okfuskee, Pawnee, Payne, Pottawatomie, Seminole **EODD** Eastern Oklahoma Economic Development District 1012 N. 38th St., Muskogee, OK 74402 (918) 682-7891 www.eoddok.org Counties Served: Adair, Cherokee, McIntosh, Muskogee, Okmulgee, Seguoyah, Wagoner 5. **GGEDA** Grand Gateway Economic Development Association

Project Definition

Under the State's CDBG REAP program, a project is defined as ONE eligible or sponsored unit of local government (UGLG) applying for ONE activity in which there is a benefit to only ONE geographically TARGETED AREA or an entire COMMUNITY-WIDE AREA. These areas allow for an activity in which only ONE LMI survey (as applicable) is required. If the project does not meet the above definition, it will be disqualified resulting in a FAILED application rating.

Because of the unique design of the CDBG REAP Program and limited CDBG funding, it is necessary to provide additional project definition clarification. By limiting the number of activities requested under a single application, ODOC/CD is trying to maximize the availability to other potential applicants.

Under CDBG REAP, projects are further defined as a single activity identified under the same general type or category. For example, an applicant requests CDBG funding for a fire truck and parking lot as part of the same application. Under this scenario, the fire truck (equipment) and parking lot (infrastructure) would be two individual project requests. It is important to note that it is impossible to account for every possible funding request scenario in this guideline. It is the responsibility of the applicant to contact ODOC/CD before application submission for additional clarification.

Leverage

The State's CDBG Program requires that all leveraged CDBG project funding be in place at the time of the application submission. There are several reasons for this. First, the HUD based CDBG Program imposes program specific obligation and expenditure requirements. Most importantly, an applicant may simply not receive the leveraged funding as intended. This is an inefficient use of valuable CDBG program time and requires additional ODOC/CD staff time to deobligate the contract and reallocate the contract funding to another eligible CDBG project. Second, applicants without secured leverage funding at the time of the application submission would require additional time for securing the funds adding time to the overall project completion timeline. Third, there is no foreseeable way to impose an additional timeframe for the allowance to secure leveraged funding that would be fair to all applicants given the varied types of outside funding available.

CDBG Project Eligibility Policy

Prospective CDBG Program applicants are strongly encouraged to review (24 CFR 570 Subparts A, C, I, K, and O) of the Electronic Code of Federal Regulations (https://ecfr.io/Title-24/) for additional regulatory CDBG Program guidance as related to State CDBG Programs. The Housing and Community Development Act Section 105(a) and 24 CFR 570.482 defines eligible activities under the State CDBG Program. While some regulatory language is direct, there are instances where more clarity is needed.

It is the policy of ODOC/CD that should a prospective CDBG Program applicant request a CDBG project/activity that does NOT appear directly eligible and cannot be immediately determined as ineligible as interpreted from CDBG regulatory guidance and ODOC/CD staff that the applicant can formally request ODOC/CD to seek a final determination from HUD officials.

- a. The prospective applicant will be required to submit a project/activity narrative regarding the requested activity. This will be required by HUD to conduct their review and make a determination. It is the responsibility of the prospective applicant to provide the narrative. The submission of the narrative to ODOC/CD will be seen as the formal request to seek a final determination from HUD.
- b. Once a detailed project narrative is received by ODOC/CD, it will be submitted to the Oklahoma City HUD office for a final eligibility determination.

Prospective applicants are advised to seek project/activity guidance as soon as possible from ODOC/CD if they have eligibility concerns. Prospective applicants should be aware that final CDBG regulatory and program guidance can take several months to receive from HUD. ODOC/CD understands that prospective applicants are subject to CDBG application deadlines; however, in absence of a final project/activity determination from HUD, ODOC/CD cannot allow an award for any requested CDBG project/activity that cannot be determined to be directly CDBG eligible. If the project/activity eligibility determination has not been received from HUD by the CDBG application deadline, the application will receive a FAIL threshold rating. Applicants are advised to consider that a determination may not be received by the CDBG application submission date.

SAM.Gov Debarred / Exclusion Check Requirement

The System for Award Management (SAM.gov) is an official website of the U.S. government. **You must have an active registration in SAM.gov to do business with the Federal Government.**There is no cost to use SAM.gov. The General Services Administration (GSA) is required by the

Federal Acquisition Regulation (FAR) to compile and maintain a list of parties debarred, suspended, or disqualified by federal agencies in SAM.gov. Units of General Local Government (UGLG's), contractors as well as recipients of federal financial assistance must be registered at SAM.gov. Active registration in SAM.gov is required to apply for an award and for HUD to make a payment. ODOC/CD is required by HUD to check UGLG grantees' debarment/exclusion status in the federal SAM database and place a record on file. You can use this site for FREE to:

- Register to do business with the U.S. government
- Update or renew your entity registration
- Check status of an entity registration
- Search for entity registration and exclusion records
- Search for assistance listings (formerly CFDA.gov), wage determinations (formerly WDOL.gov), contract opportunities (formerly FBO.gov), and contract data reports (formerly part of FPDS.gov)

Per the SAM.gov User Guide, the No Active Exclusions field on the SAM.gov Entity summary indicates whether the entity has a current debarment. SAM.gov will check the exclusions list for the Unique Identify Identifier Number (UEI#) of your entity and indicate whether any exclusion records exist. If an active exclusion record exists for your entity, this question will default to "Yes," meaning that the contractor is debarred. No Record Found means that the entity is not registered or has let its registration lapse. The entity should ensure that the email address is current in SAM.gov so that when automated reminders are sent to renew registration each year that this reminder does not go into spam due to an obsolete email address.

Get started with a SAM.gov registration and the Unique Entity Identifier Number: If you have not yet started your registration, please create an individual user account and log into SAM.gov to register your entity. To register in SAM.gov, at a minimum, you will need the following information:

U.S. REGISTRANTS:

- 1. Legal Business Name, and Physical Address (A post office box may not be used as your physical address).).
- 2. Your Taxpayer Identification Number (TIN) and Taxpayer Name associated with your TIN. Review your tax documents from the IRS (such as a 1099 or W-2 form) to find your Taxpayer Name.
- 3. Your bank's routing number, your bank account number, and your bank account type, i.e. checking or savings, to set up Electronic Funds Transfer (EFT).

Refer to the following website <u>SAM.gov | Home</u> for the applicable options provided for your entity. If you have already registered, check your status by clicking on "Check Registration Status" and logging in with your username and password; then provide your UEI Number or CAGE Code. You will need to download the information provided by the site by clicking on the Download

heading toward the top of the page which creates an electronic pdf copy of the document that will need to be saved for your records. That pdf will be required to be uploaded into OKGrants with the status that shows that the UGLG has an Active status and has NO ACTIVE EXCLUSIONS.

You must renew your registration every 365 days to keep it active. You can make updates to your registration anytime or during renewal.

The Build America Buy America Act (BABAA), enacted as part of the Infrastructure Investment and Jobs Act on November 15, 2021, established a domestic content procurement preference for all Federal financial assistance obligated for infrastructure projects. The domestic content procurement preference requires that all iron, steel, manufactured products, and construction materials used in covered infrastructure projects are produced in the United States. BABAA will apply to 2023 CDBG projects and CDBG projects thereafter where the total amount of Federal financial assistance exceeds \$250,000. For more information regarding BABAA, please visit here.

Proposal Guidance

Technical assistance regarding eligible projects, project concepts, the application guidelines, and other information pertaining to the CDBG REAP Program is available upon request.

Applicants are encouraged to contact the staff persons listed below anytime they are uncertain about Program requirements, project conceptualization, or any portion of the application process and/or guidelines.

CDBG REAP Application inquiries may be directed to:

Karen Adair – 405-764-5164 or karen.adair@okcommerce.gov

Section One 11 2025 CDBG REAP

SECTION TWO: REQUIRED DOCUMENTATION

The following narration provides detailed guidance regarding the documents needed to submit a complete CDBG Rural Economic Action Plan application. Please note that the documentation in items One (1) through Four (4) can only be completed online at the *OKGrants'* website. Items Five (5) through Thirteen (13) are attachments that are required to be completed and then electronically uploaded via the internet to the *OKGrants'* website.

1. Application Summary and Certification (OKGrants - Online Completion Only)

This form requests general information about the applicant. The form must be completed in full. The certification attests to the accuracy and completeness of the application.

2. Detailed Line Item Budget (OKGrants - Online Completion Only)

The proposed activities should be highly detailed because they will provide the basis of your contract and project budget should you receive funding.

As referenced in (24 CFR 570.201-204) and (CPD Notice 13-07), costs incurred as a direct result of implementing and executing eligible CDBG activities are known as "Activity Delivery Costs". These costs are directly attributable to an eligible CDBG project activity. Under the State's CDBG REAP set-aside, the maximum amount of CDBG funds that may be used for Activity Delivery Costs by a CDBG certified administrator is eight percent (8%) of the total CDBG construction and professional/non-construction funds provided.

3. Consultant Form (OKGrants - Online Completion Only)

4. Audit (OKGrants - Online Completion Only)

TOWNS AND CITIES (COUNTIES ARE EXEMPT) MUST SUBMIT A COPY OF THEIR AUDIT OR THE AGREED UPON PROCEDURES BY THE APPLICATION DEADLINE. ALL TOWNS AND CITIES THAT HAVE A JUNE 30, FISCAL YEAR END DATE ARE REQUIRED TO SUBMIT A COPY OF THEIR FY 2024 AUDIT AND TOWNS AND CITIES THAT HAVE A DECEMBER 31, FISCAL YEAR END DATE ARE REQUIRED TO SUBMIT A COPY OF THEIR FY 2023 AUDIT. NO APPLICATION WILL BE CONSIDERED FOR REVIEW OR FUNDING THAT DOES NOT MEET THE REQUIREMENTS STATED ABOVE.

If the city or town receives less than \$50,000 in annual revenues from its normal business and does not have an audit or agreed upon procedure, the city or town cannot apply directly to ODOC/CD. The city or town can apply only by having the local County apply on their behalf if the County chooses to do so.

An audit is required to be uploaded as part of the application process. Alternatively, the audit may also be submitted via postal mail to:

Oklahoma Department of Commerce Financial Services 900 N. Stiles Ave. Oklahoma City, OK 73104 General audit inquiries and questions regarding audit submissions should be directed to the Oklahoma Department of Commerce/Financial Services at 800-879-6552.

5. Applicant Resolution (Attachment A – Upload Form to *OKGrants*)

Applications must include a resolution passed by the current governing body requesting that particular assistance. The Resolution is required to be uploaded as part of the application process. A sample resolution is provided in Attachment "A" of the application.

6. Citizen Participation Requirements (Attachment B – Upload Form to OKGrants) All applicants, to apply for CDBG REAP assistance, must complete, and document the following requirements: (1) create and adopt a Written Citizen Participation Plan and (2) hold an application phase public hearing regarding the CDBG REAP Program.

Citizen Participation Plans <u>must be officially adopted</u> and followed by all applicants and submitted as Attachment "B" in the application. Re-stating the Citizen Participation Plan outline requirements does not constitute a valid plan. Applicants must clearly state the actions they will undertake to meet the requirements of Written Citizen Participation Plans. (Sample Citizen Participation Plan can be found in the Attachment "B" of the application.) Applicants may readopt prior years Citizen Participation Plans provided that the previous plan has been reviewed and updated as needed to adequately support the proposed project.

Documentation of the "application phase" Public Hearing is also an application requirement. Acceptable documentation consists only of the **affidavit of publication**, **official posting announcing where and when the hearing is to be held along with a listing of the posting locations** (posting is an acceptable method of advertising only where it is the standard method used by a unit of local government to provide notice of official meeting), or a copy of the newspaper article announcing the public hearing.

ODOC/CD requires that no less than seven (7) WORKING DAYS be given as advance notice of the application phase Public Hearing or any subsequent public meetings held for the purpose of discussing project activities as they relate to the CDBG REAP grant funds.

ADDITIONALLY, WHEN POSTING DO NOT COUNT THE DAY OF THE POSTING, BUT THE DAY AFTER AS DAY ONE (1). If posting is not posted as instructed, a failed application will result.

All written Citizen Participation Plans must explain how an applicant unit of local government will:

- 1. Provide for and encourage citizen participation, particularly by low and moderate-income persons who reside in areas where CDBG REAP funds are proposed to be used.
- 2. Ensure citizens will be given reasonable and timely access to local meetings, information and records relating to the unit of local government's proposed and actual use of the CDBG REAP funds, including, but not limited to, the following:
 - (a) The amount of CDBG REAP funds expected to be made available for the current fiscal year if the project is approved;
 - (b) The range of activities that may be undertaken with CDBG REAP funds;

Section Two 13 2025 CDBG REAP

- (c) The estimated amount of CDBG REAP funds proposed to be used for activities that will meet the National Objective of benefit to low and moderate-income persons;
- (d) The proposed CDBG REAP activities likely to result in displacement and the sponsoring unit of local government's anti-displacement and relocation plans developed in accordance with Section 104(d)(1) and (2) of the Act; and
- (e) The basis on which the sponsoring unit of local government may provide technical assistance to groups representative of persons of low and moderate-income that request assistance in developing proposals. The level and type of assistance to be provided are at the discretion of the sponsoring unit of local government. Such assistance need not include providing funds to such groups.
- 3. Provide for a minimum of two (2) public hearings; one prior to submission of the application for funding of the project that favors the purpose of obtaining citizens' views and formulating or responding to proposals and questions; the other at the end of the grant period, if the applicant receives funding, that discusses Grantee performance. There must be reasonable notice of the public hearings (ODOC/CD requires seven (7) working days, and they must be held at times and locations convenient to potential or actual beneficiaries, with accommodations for people with disabilities.
- 4. Meet the needs of residents with limited English proficiency (LEP) in the case of public hearings where a significant number of LEP residents can reasonably be expected to participate.
- 5. Provide citizens with reasonable advance notice (ODOC/CD requires seven (7) working days, and the opportunity to comment on proposed activities not previously described in a unit of local government's funding request and activities which are proposed to be deleted or substantially changed in terms of purpose, scope, location or beneficiaries. Substantially changed means changes made in terms of purpose, scope, location or beneficiaries.
- 6. Provide the place, phone numbers, and times where and when citizens are able to communicate when submitting written complaints and grievances; the process the unit of local government will use to provide for a timely written answer to written complaints and grievances, within fifteen (15) working days where practicable.
- 7. The application phase public hearing must, at a minimum, address the following topics:
 - (a) Community development and housing needs;
 - (b) CDBG REAP Program purpose, i.e. meet one of three (3) National Objectives;
 - (c) The development of proposed activities.
- 8. The Citizen Participation Plan is required to be signed and dated by the chief elected official. The Citizen Participation Plan also requires a Town/City/County seal or it must be notarized in lieu of the seal.

Section Two 14 2025 CDBG REAP

7. Certified Engineering, Arch. & Professional Cost Estimates (Attachment C – Upload to OKGrants)

All cost estimates shall be obtained from professional sources and submitted with the application. These estimates must be certified and from professional engineers, architects, construction companies, vendors, or appropriate personnel with experience to make such estimates. All estimates must be signed and dated and sealed (if applicable). However, when the application is for new building construction or improvements to an already existing building, the applicant must adhere to 59O.S.§ 46.21b and 74 O.S.§ 324.11 as amended.

Preliminary Engineering and Architectural expenses are an eligible cost to the CDBG REAP contract if budgeted for in the application and the application is approved for funding. ODOC/CD will allow a maximum of 2% for preliminary engineering or architectural costs. This percentage is based on the total proposed CDBG REAP activity dollars using the following Rural Economic and Community Development engineering fee table below. Engineering and architectural services paid for with CDBG REAP funds must be procured in accordance with ODOC/CD procedures.

The maximum amount of CDBG REAP funds that may be used for final engineering and architectural is based on the total proposed CDBG REAP activity dollars using the following Rural Economic and Community Development engineering fee table:

USDA – RURAL DEVELOPMENT ENGINEERING FEE TABLE:

Proposed CDBG Construction Amount	Percentage Limit
\$60,000	13.2
\$70,000	12.6
\$80,000	12.3
\$90,000	12.0
\$100,000	11.9
\$200,000	10.5
\$300,000	9.7
\$400,000	8.9
\$500,000	8.5
\$600,000	8.2
\$700,000	8.0
\$800,000	7.8
\$900,000	7.7
\$1,000,000	7.5
\$2,000,000	6.7
\$3,000,000	6.4
\$4,000,000	6.3
\$5,000,000	6.2

The maximum amount of CDBG REAP funds that may be used for resident inspection is based on the total proposed CDBG REAP activity dollar costs using the USDA-Rural Development resident inspection fee table below:

Section Two 15 2025 CDBG REAP

USDA - RURAL DEVELOPMENT RESIDENT INSPECTION FEE TABLE:

Proposed CDBG Construction Amount	Percentage Limit
\$100,000 or less	5.0 (or negotiated lump sum)
\$200,000	4.2
\$300,000	3.8
\$400,000	3.5
\$500,000	3.2
\$600,000	3.0
\$700,000	2.8
\$800,000	2.65
\$900,000	2.5
\$1,000,000	2.4
\$2,000,000	2.3
\$3,000,000	2.2
\$4,000,000	2.1
\$5,000,000	2.0

The limitations are to be used by applicants as guides for CDBG REAP project proposal budgeting only. ODOC/CD does not mean to imply that percentage of professional and construction engineering fee contracts are acceptable. In the event a grant is awarded and CDBG REAP funds are used to pay for professional and construction engineering services, only lump sum or fixed price contracts for those services will be acceptable when procured in accordance with the CDBG Project Management Guide Policies and Procedures.

ODOC/CD reserves the right to review, question, realign and/or negotiate any part of an applicant's proposed project costs including, but not limited to, engineering and/or resident inspection fees, administrative costs, leverage, all elements of construction costs, etc. Applicants should be prepared to justify the costs associated with their entire project. Any proposed costs that cannot be fully justified and/or documented shall be subject to change by ODOC/CD.

8. Applicant/Recipient Disclosure/Update Report – HUD Form 2880 Updated (Attachment D – Upload Form to *OKGrants*)

This form must be completed if the minimum requirements of the disclosure are met and certified by the interested parties as set forth in the disclosure. The Applicant/Recipient Disclosure/Update Report is required to be uploaded as part of the application process.

9. Leverage (Attachments E1, E2, E3 – Upload Forms to OKGrants)

CDBG REAP funds must be matched dollar for dollar by State appropriated REAP funds. For example, if the CDBG REAP request is \$40,000 then this amount must be matched with \$40,000 of State appropriated REAP funds.

To make a project complete, leverage may be required over and above the CDBG REAP amount. This leverage may consist of cash or in-kind contributions. Cash includes other federal/state grants and loans and capital improvement funds set-aside for a specified purpose in the municipal and/or county budget. Cash also includes fair market value of land, building, or materials portion

of infrastructure improvements. In-kind includes the value of force account labor, voluntary labor (\$10.00 per hour) or the services and supplies provided by another local entity.

Activity delivery costs may be donated as "in-kind" leverage. However, the amount of activity delivery costs for CDBG REAP projects is established at 8% of the CDBG REAP award. Therefore, any value of administrative services above that amount cannot be considered as leverage.

The value of in-kind contributions must be reasonable and verifiable. ODOC/CD reserves the right to require additional documentation of the value and extent of in-kind contributions. ODOC/CD will utilize professional engineers and/or other appropriate personnel to ascertain the validity of the in-kind contributions. Penalties such as deobligation of the grant, reduction of the grant amount or other measures deemed appropriate by ODOC/CD may be assessed for in-kind contributions not materializing. Additionally, if the applicant wishes to use volunteer labor, it might want to review its exposure to any potential liability before submitting the application.

When leverage is used on a CDBG project, documentation is required which will substantiate the availability of the funding. When leverage is in the form of cash from the Unit of General Local Government, applicants are advised to submit a formal signed letter from the chief elected official stating the amount of leverage available and committed to the CDBG project. When leverage is in the form of a grant or loan, an applicant will need to submit the appropriate documentation testifying that the grant has been awarded or loan has been approved.

10. LMI Documentation (Attachment F – Upload to *OKGrants*) As Applicable

The following are mandatory uploads for those applicants conducting Random Sample Income Surveys:

- a. LMI Beneficiary Summary Form (Blank Copy Attachment F) NOTE: The LMI Beneficiary Summary Form summarizes the beneficiary data and uploaded Field Survey Sheets on one form and is required to be completely filled out (as applicable). Please follow the form's instructions for completion. If any of the numbers on this form are manually changed by the applicant, the application will automatically fail.
- b. Random Number Table
- c. Survey Map
- d. Copy of the Original LMI Field Survey Sheets

CDBG REAP applicants must qualify their project activities under the low and moderate-income National Objective.

(a) Qualifying under the National Objective of Benefit to Low and moderate-income Person.

To qualify for CDBG REAP funding under the National Objective of benefit to low and moderate-income persons, the proposed project activities must show a positive or general improvement of living condition in a definable geographic target area where at least 51% of the occupied households/homes are of low and moderate-income families. Low and moderate-income families have an income equal to or less than the current Section 8 low-income limits established by the United States Department of Housing and Urban Development (HUD), (Appendix D of this guidance document).

Section Two 17 2025 CDBG REAP

Each activity proposed for funding with CDBG REAP dollars claiming the National Objective of benefit to low and moderate-income persons, must provide data indicating the percentage of low and moderate-income beneficiaries.

Various questions must be answered before determining whether an activity proposed for CDBG REAP funding provides benefit to principally low and moderate-income families. Questions to be answered include: (1) How does the proposed activity serve the residents of the geographic target area in which it is taking place? (2) Which occupied households/homes within the geographic target area are directly affected or impacted by the proposed activity? (3) Is there a larger set of households/homes that will be served by the proposed activity?

Once the beneficiaries for each activity proposed for funding with CDBG REAP dollars have been identified, the next step is to document the percentage of low and moderate-income households/homes that will benefit from each of those activities. This is best accomplished by performing an income survey to determine family incomes.

However, in some very limited cases, Census data may be used to document the percentage of low and moderate-income families receiving benefit. However, the use of any Census data to document the percentage of low and moderate-income beneficiaries for any CDBG REAP funded activity requires prior ODOC/CD review and approval. Any applicant intending to use Census data to document the project's percentage of low and moderate-income beneficiaries must contact the ODOC/CD CDBG Planner via email thirty (30) days PRIOR to the application's submission deadline. The use of Census data has several HUD mandated procedural requirements and is subject to various use related restrictions. These requirements and restrictions are best directly discussed with the ODOC/CD CDBG Program Planner in order to receive the proper guidance on meeting HUD Census based compliance requirements. An applicant's failure to obtain prior ODOC/CD review and approval of the use of Census data in order to qualify the proposed CDBG project will result in a FAILED application rating.

Please note that if the available Census data geographies do not reasonably correspond to the service area, it will not be appropriate to use Census data to qualify a low and moderate-income activity. Applicants will then be required to conduct a targeted local income survey in order to determine low and moderate-income compliance for the specific service area.

Applicants may not prorate the Census data when a given service area includes a portion of a geography from published datasets. The low and moderate-income determination shall be made based on the entirety of the data of the census geography which the service area both completely encloses and significantly overlaps.

Income survey techniques consist of door-to-door surveys, telephone surveys, mail surveys, or any combination of the three. Regardless of the technique used, an applicant must be able to link each income response to a specific family within a specific household/home. Blind survey techniques that cannot match households/homes and their respective family incomes will not be accepted, as they do not allow for verification should it become necessary.

For all FY 2025 income surveys, applicants must use the provided HUD Income Limits included in this Application Guidance; Any other numbers used will result in a failed application with the exception of the Income Surveys that have been conducted within the previous five program years (FY 2020, 2021, 2022, 2023, or 2024). To be eligible for previous program years' surveys, the Applicant will be responsible for providing copies of the

Section Two 18 2025 CDBG REAP

original Field Survey Summary Sheet, Survey Field Sheets, Random # Table, and Survey Map. Only the Random Sample Survey methodology will be accepted by ODOC/CD.

(b) Conducting an Income Survey

For those applicants conducting Random Sample Income Surveys, a sample Field Survey Form can be found in Appendix "A" of this guidance document. All applicants are required to complete the Direct Project Beneficiary Income Survey Summary located in the online application at OKGrants. Additionally, the following LMI documentation is required to be uploaded the Application "UPLOADS" section of OKGrants: 1. Upload a copy of the Random Number Table that was generated by ODOC/CD to perform the survey. 2. Upload a color-coded map that identifies each surveyed home's income status (above or below low and moderate-income status); the location of all proposed CDBG and leverage activities, and the central business district. 3. Upload all scanned copies of the original Direct Beneficiary Income Field Survey sheets. 4. Upload a copy of the LMI Beneficiary Summary Form. (A blank copy of this form is located in Attachment F) NOTE: The LMI Beneficiary Summary Form summarizes the uploaded Field Survey Sheets on one form and is required to be completely filled out to include: Town/City/Target Area, County, and Survey Date.

An overview of the Random Sample Survey procedures is provided below.

- Step 1. List by name and address, the number of households within the geographic area to be covered by the project (for example, the following listings may be used to identify the number of households within your universe: water billing, wastewater billing, 911 emergency service databases, or in the case of a county, the voting rolls).
- **Step 2.** Alphabetize your universe by last name (all households); or list in ascending or descending order by account numbers. This establishes a random distribution for your universe.
- **Step 3.** Number all households composing your universe.
- **Step 4.** Based on the number of households provided, a random survey sample will be generated by ODOC/CD and provided to the applicant along with the required response rate that must be achieved.
- Step 5. Match the random sampling numbers to your numbered household universe and survey those locations. For example, if the random sample provided by ODOC/CD is "#47", match that number 47, to the 47th entry on your numbered universe and survey that location. Continue to survey until you have achieved the required response rate. Do not over survey.
- Step 6. Survey using the "Direct Project Beneficiary Income Survey Field Worksheet" provided in the appendix to this application packet (these working papers are to be retained with the permanent records of the unit of local government) and the low-income figures for your county (provided in Appendix A).

Step 7. Complete the "LMI Beneficiary Summary Form" attached in the Application Guidelines and upload the form into the online *OKGrants* Application "Uploads" section.

The table below provides the sample size of households that must be surveyed compared to the number of households identified in the target area. For example: If you had 230 occupied households in the target area you would need to survey 150 occupied households.

Required Sample Sizes for Universes of Various Sizes:

Number of Occupied Households in Target Area	Survey Sample Size
1 - 55	50 or all if less than 50 households in universe
56 - 63	55
64 - 70	60
71 - 77	65
78 - 87	70
88 - 99	80
100 - 115	90
116 - 138	100
139 - 153	110
154 - 180	125
181 - 238	150
239 - 308	175
309 - 398	200
399 - 650	250
651 - 1,200	300
1,201 - 2,700	350
2,701 or more	400

The results of the Random Survey **must be clearly shown on a map** that identifies each surveyed home with the low and moderate-income homes designated with a distinct color. Applicants performing income surveys are cautioned that incorrectly administered surveys or their resulting data regarding low and moderate-income percentage claims will be rejected. **Failure to include a properly marked map with the application will result in rejection and return of the application.**

Determining the beneficiaries and performing a survey for any activity under any project category is critical. ODOC/CD guidance regarding beneficiaries and surveys is well advised. Therefore, all applicants should take the time to discuss their project activities and surveys with ODOC/CD staff before performing their survey(s). Seasonal (or Part-time) residents (e.g., migrant farmers who reside in manufactured homes) may not participate in an income survey if their benefit of a service or an activity is incidental. For example, the use of a library or senior center by seasonal residents would be considered an incidental benefit. Season residents may participate in income surveys for CDBG funded activities such as installation of sewer lines and sewage treatment plants. This would also include water activities.

11. W-9 Form & Instructions (Attachment G – Upload Form to OKGrants)

The W-9 form (Taxpayer Identification Number & Certification) is required to be filled out in full and uploaded as part of the application process.

12. Insurance Verification (As Applicable) (Attachment H – Upload to OKGrants)

Applicants must certify that if the proposed project is funded by CDBG REAP dollars it will be properly insured for the life of the asset. Proper insurance for buildings includes both property and liability insurance coverage. When the project includes vehicles, proper insurance will include liability, comprehensive and collision coverage.

13. SAM.gov Exclusion / Debarment Verification (Attachment I – Upload to OKGrants)

Section Two 21 2025 CDBG REAP

SECTION THREE: THRESHOLD CRITERIA

Under this broad category, an applicant may submit a project proposal for any eligible activity listed under Section 105(a) of the Federal Housing and Community Development Act of 1974, as amended, and 24 CFR Part 570 as applicable.

The maximum amount of CDBG REAP funds that may be used for activity delivery cost is eight percent (8%) of the total CDBG REAP funds awarded for the total construction and professional/non-construction funds provided. Applications will be accepted through February 28, 2025. Applications received after this date will NOT be considered for funding. Additionally, CDBG REAP projects not meeting all threshold requirements will NOT be considered for funding.

Threshold Criteria for CDBG REAP Set-aside

- 1. Eligible applicants for the CDBG REAP Program are units of general local governments (counties and incorporated towns and cities) that are State appropriated REAP funding eligible as identified by the Sub-state Planning District and in accordance with 62 O.S. § 2006 et al as amended.
- CDBG REAP funds must be matched dollar for dollar by State appropriated REAP funds. For example, if a project is \$80,000 it must be \$40,000 CDBG REAP, and \$40,000 State appropriated REAP funds. Applicants may not apply for more than one (1) project activity per application under this set-aside.
- 3. CDBG REAP requests for funds must meet the principle CDBG National Objective of providing a direct benefit (fifty-one percent [51%] or more) to persons of low and moderate-income.
- 4. Cities, towns, and counties with previous CDBG funding <u>must have close-out documents</u> <u>submitted by January 31, 2025</u>.
- (a) City/Town and County (Direct Jurisdiction) Applicants: City/Towns and Counties receiving a direct jurisdictional benefit may submit only one (1) grant application per CDBG Program Year selectina from CDBG Water/Wastewater Engineering, CDBG Water/Wastewater Construction, CDBG Community Revitalization, or CDBG Rural Economic Action Plan (REAP). A City/Town and County (Direct Jurisdiction) cannot submit a CDBG application if it currently has an open CDBG grant. Exclusions: Economic Development Infrastructure Financing (EDIF), Capital Improvement Planning (CIP) and Disaster Recovery (DR). Typical County direct jurisdiction CDBG application projects are roads, bridges, County hospital, etc. In the case of fire truck funding requests, the County would have to own and operate the fire trucks in order to qualify under direct jurisdictional benefit.
 - (b) County Sponsored Applicants: Counties acting in a "sponsorship" capacity may submit a maximum of one sponsored CDBG grant application per CDBG Program Year selecting from Water/Wastewater Engineering, Water/Wastewater Construction, Community Revitalization, or Rural Economic Action Plan (REAP). Limitation: Counties may ONLY have one (1) open sponsored CDBG grant and still make another sponsored CDBG application. Counties cannot exceed a maximum number of two open sponsored CDBG grants open at any given time. Exclusions: Economic Development Infrastructure Financing (EDIF), Capital Improvement Planning (CIP) and Disaster Recovery (DR). Counties may sponsor applications

where they do not have direct jurisdiction over certain public functions. Generally, these are communities with less than \$50,000 in revenue, Rural Water Districts, and Rural Fire Districts. Counties CANNOT submit a single application containing multiple Units of General Local Governments or jurisdictions such as Rural Fire Districts under a single county sponsored application.

- 5. A proper sponsor for CDBG REAP projects is defined as a Unit of Local government with direct jurisdiction over the majority (60%) of the proposed project beneficiaries.
- 6. Proof that citizen participation requirements have been met, as evidenced by an application phase public hearing and written Citizen Participation Plan.
- 7. All cost estimates shall be obtained from professional sources and submitted with the application. These estimates must be signed, dated, sealed/certified from professional engineers, architects, construction companies, vendors, or appropriate personnel with experience to make such estimates.
- 8. The CDBG REAP grant request cannot exceed \$2,000 per beneficiary.
- 9. TOWNS AND CITIES (COUNTIES ARE EXEMPT) MUST SUBMIT A COPY OF THEIR AUDIT OR THE AGREED UPON PROCEDURES BY THE APPLICATION DEADLINE. ALL TOWNS AND CITIES THAT HAVE A JUNE 30, FISCAL YEAR END DATE ARE REQUIRED TO SUBMIT A COPY OF THEIR FY 2024 AUDIT AND TOWNS AND CITIES THAT HAVE A DECEMBER 31, FISCAL YEAR END DATE ARE REQUIRED, AS A MINIMUM, TO SUBMIT A COPY OF THEIR FY 2023 AUDIT. NO APPLICATION WILL BE CONSIDERED FOR REVIEW OR FUNDING THAT DOES NOT MEET THE REQUIREMENTS STATED ABOVE.

If a city or town receives less than \$50,000 in annual revenues from its normal business and does not have an audit or agreed upon procedures, the city or town cannot apply directly to ODOC/CD. The city or town can apply only by having the local County apply on their behalf, if the County chooses to do so. Nothing contained herein mandates a County to act as an accommodating party.

- 10. Applicants must certify that if the proposed project is funded by CDBG REAP dollars it will be properly insured for the life of the asset. Proper insurance for buildings includes both property and liability insurance coverage. When the project includes vehicles, proper insurance will include liability, comprehensive and collision coverage.
- 11. Applicants are responsible for accomplishing online application corrections/revisions along with any applicable application upload corrections/revisions as directed by ODOC/CD staff within the pre-determined deadline. In fairness to other applicants and to maintain HUD required ODOC/CD's CDBG funding expenditure rates; ODOC/CD can NOT indefinitely hold applications until the respective application corrections/revisions are accomplished. Applications will be considered INCOMPLETE if the prescribed corrections/revisions are not made to the application within the pre-determined deadline established by ODOC/CD. This will result in a FAILED threshold application rating.
- 12. The Application Guidelines associated with this CDBG REAP set-aside contain an APPLICATION FORMS CHECKLIST outlining all application related documentation required to be uploaded into the online OKGrants application. It is the applicant's responsibility to follow this checklist and seek additional guidance from ODOC/CD staff as required. Applicants will

Section Three 23 2025 CDBG REAP

be responsible for following and providing each item listed on the checklist. Failure to provide any of the required application documentation listed on the checklist will result in a FAILED application rating. Additionally, applicants must provide a response to all application questions and satisfy all documentation requirements delineated in the CDBG REAP Application Guidelines and online OKGrants Application System including, but not limited to: Resolution, income survey results, resolution requesting assistance, survey maps, certifications, HUD Form 2880 Applicant Recipient Disclosure Update Report, project budget, etc.

13. The application must sufficiently demonstrate an applicant's need for the requested CDBG activity. For any requested CDBG project, there is an underlying "need" for such a project. It is the responsibility of the applicant to communicate to ODOC/CD why the particular CDBG activity is being requested in the application. Failure to adequately demonstrate a project need will result in a FAILED threshold application rating. It is highly recommended that the applicant contacts ODOC/CD PRIOR to application submission if the applicant has any questions in regard to demonstrating project need. The project need is communicated in the "Project Description" section of the "CDBG Application Summary" page of the online OKGrants application. If required, additional narratives and supporting documentation can be uploaded in the "Uploads" page of the OKGrants application.

APPENDIX B

LOW AND MODERATE INCOME LIMITS AND TABLE

The following definitions should be useful in the determination of a CDBG project's benefit to low and moderate income households.

<u>Households</u> - Household is defined as all persons who occupy a housing unit. The occupants may be a single-family, one person living alone, two (2) or more families living together, or any other group of related or unrelated persons who share living arrangements.

<u>Low and Moderate Income Household</u> - Low and moderate income household is defined as a household having an income equal to or less than the current Section 8 lower income limits established by HUD (please refer to the attached HUD Section 8 income limits).

HUD LOW / MODERATE INCOME PERCENTAGES (COUNTY)
