# Expand Your Global Reach

**JOIN THE OKLAHOMA DEPARTMENT OF COMMERCE  
ON 2026 TRADE MISSIONS**

Oklahoma companies are invited to explore new international markets, build strategic partnerships, and grow exports by participating in two upcoming trade missions led by the Oklahoma Department of Commerce.

## Seeking opportunities in the Asian Market?

**AUGUST 31–SEPTEMBER 4, 2026**

Taiwan is a dynamic hub for business across sectors. This mission offers Oklahoma businesses the opportunity to:

- » Participate in a customized program that includes logistics arrangements and ground transportation
- » Connect with pre-screened potential partners and buyers
- » Attend meetings and networking events in partnership with Taiwan's leading business organizations
- » Engage with over 1,000 exhibiting companies from all over the world at SEMICON Taiwan

## Seeking opportunities in the European Market?

**NOVEMBER 16–20, 2026**

Germany is Europe's largest economy and a global leader across diverse industries, known for its innovation, advanced capabilities and strong economic performance. Participants will:

- » Participate in a customized program that includes logistics arrangements and ground transportation
- » Connect with pre-screened potential partners and buyers
- » Attend meetings and networking events in partnership with Germany's leading business organizations

## Why Participate?

- » Customized B2B matchmaking meetings
- » In-market briefings and networking events
- » Support from international trade experts
- » Increased visibility for your company abroad

## Who Should Apply?

Oklahoma-based companies interested in exporting, expanding internationally or forming global partnerships and from any industry sector.
