B. Eligibility Requirements

In order for this application to be reviewed and considered by the Oklahoma Main Street Program Selection Committee, the following eligibility requirements must be met:

1. City or town population between 5,000 and 50,000 based on the 2010 Census for “mid-size towns”.
   City or town population under 5,000 based on the 2010 Census for “small towns”.

2. A properly completed application submitted with questions answered in the space provided.

3. Verification of first-year funding for the local Main Street Program with a program director working in the project area. Verification must be in the form of:
   a. Where public sector funding is involved, a copy of official city and/or county resolution authorizing their portion of Main Street funding;
   b. Where private sector funding is involved, a list of funding sources, supported by a list of all pledges as indicated, and,
   c. For all donated in-kind services (i.e., office space, secretarial service, supplies, etc.) a letter from the individual or duly authorized representative of the organization donating the services. This letter must describe what is being donated, for how long it is being donated, and the current fair market value of the donation.

4. Existence of a downtown organization (or commitment to establish an organization) that is responsible solely for the local Main Street Program. Downtown organizations are necessary to support the implementation of the downtown program by assuming responsibility for certain needed tasks; i.e., fundraising, promotions, beautification, maintenance programs and other cooperative projects. A downtown organization is comprised primarily of local merchants, property owners, residents, professionals, bankers, representatives from city/council government and civic clubs, and organizations in the community.
C. Selection Criteria

Each application will be judged based upon the following criteria. In addition, each application will be judged on its completeness.

1. Evidence of local, public and private sector financial support of the Main Street Program for the initial first year start-up period. Towns will be participating in a two year demonstration program with the Oklahoma Main Street Program to set up the organization; however, communities should plan for a permanent program to insure the future success and management of their downtown revitalization.

2. Evidence of a strong commitment from the public and private sector in the community that they fully comprehend the methodology and wish to adopt the Main Street Approach to downtown economic revitalization. This means involving local leadership, local government, merchants, property owners, civic organizations, and lending institutions to work together as a team for the successful revitalization of the Main Street area.

3. Commitment to staff a Main Street program director to work in the designated project area. A successful revitalization program requires a program director to facilitate/coordinate the Main Street Board and the public/private sectors to implement a work plan for the designated area.

4. Capacity for economic growth as a result of the Main Street Program. In order for downtown commercial revitalization to succeed for years to come, many downtowns will have to capture a larger share of the existing retail market or expand the size of their trade area and diversify.

5. A cohesive, clearly-defined “Main Street District”. To fit the Main Street program concept, the downtown should have a central business district with discernible boundaries.

6. Evidence of need will be balanced with ability of the project area to respond to the program of services offered by the Oklahoma Main Street Center as determined by the Oklahoma Department of Commerce.
D. Time Requirements

Experience has shown that often new applicants do not realize the amount of time that will be required of volunteers in order to implement the Main Street program. It is essential that the board members realize what is expected of them; therefore, below is a list of some of the time requirements by the state and local program. Many of these meetings are mandatory for the program director and board members to attend. Some meetings are also recommended for other members of the organization to attend.

**State Requirements:**

*A successful Main Street program requires dedication and hours of hard work.*
