The number should key the photo to a “description sheet” giving a brief photo caption, the address of the building and a brief explanation of why this shot was included. One CD (set) of all 25 photographs is preferred.

All photographs, flash drives, and CD’s become the property of the Oklahoma Department of Commerce for future use as deemed appropriate by the Oklahoma Main Street Center.

The average salary range for Main Street Director in Oklahoma is $20,000 to $60,000 depending on the size of the community and the area’s cost of living. Please answer all questions on the application as completely as possible. If you need assistance, call Main Street at 405-815-6552.
B. Eligibility Requirements

In order for this application to be reviewed and considered by the Oklahoma Main Street Program Selection Committee, the following eligibility requirements must be met:

1. City or town population between 5,000 and 50,000 based on the 2010 Census for “mid-size towns”. City or town population under 5,000 based on the 2010 Census for “small towns”. City population over 50,000 for “urban programs”.

2. Two representatives attending the Application Workshop.

3. A properly completed application submitted with questions answered in the space provided.

4. Verification of first-year funding with evidence of initial three-year start-up commitment for the local Main Street Program with a program manager working in the project area. Applicant understands that the program seeks to set up permanent management for the downtown area. On-going funding and support will be required. Verification must be in the form of:
   a. Where public sector funding is involved, a copy of official city and/or county resolution authorizing their portion of Main Street funding;
   b. Where private sector funding is involved, a notarized certification (Sample B) from a duly authorized representative of Main Street applicant agency or organization indicating the full amount of funding pledged and allocated exclusively to the local Main Street program and the full amount (private and public) of funding pledged to the local Main Street program. This shall be supported by a list of all pledges as indicated on pages 10 and 11 of the application, and,
   c. For all donated in-kind services (i.e., office space, secretarial service, supplies, etc.) a letter from the individual or duly authorized representative of the organization donating the services. This letter must describe what is being donated, for how long it is being donated, and the current fair market value of the donation.

5. Existence of a downtown organization (or commitment to establish an organization) that is responsible solely for the local Main Street Program. Downtown organizations are necessary to support the implementation of the downtown program by assuming responsibility for certain needed tasks; i.e., fundraising, promotions, beautification, maintenance programs and other cooperative projects. A downtown organization is comprised primarily of local merchants, property
owners, residents, professionals, bankers, representatives from city/council
government and civic clubs, and organizations in the community.

C. Selection Criteria

Each application will be judged based upon the following criteria. In addition, each
application will be judged on its completeness.

1. Evidence of local, public and private sector financial support of the Main Street
Program for the initial three year start-up period. Towns will be participating in a
three-year demonstration program with the Oklahoma Main Street Program to set
up the organization; however, communities should plan for a permanent program to
insure the future success and management of their downtown revitalization.

2. Evidence of a strong commitment from the public and private sector in the
community that they fully comprehend the methodology and wish to adopt the
Main Street Approach to downtown economic revitalization. This means involving
local leadership, local government, merchants, property owners, civic organizations,
and lending institutions to work together as a team for the successful revitalization
of the Main Street area.

3. Commitment to hire a Main Street program director to work exclusively in the
designated project area. A successful revitalization program requires a program
director to facilitate/coordinate the Main Street Board and the public/private sectors
to implement a work plan for the designated area.

4. Capacity for economic growth as a result of the Main Street Program. In order for
downtown commercial revitalization to succeed during the three-year start-up
period and for years to come, many downtowns will have to capture a larger share of
the existing retail market or expand the size of their trade area and diversify.

5. A cohesive, clearly-defined “official Main Street District”. To fit the Main Street
program concept, the downtown should have a central business district with
discernible boundaries.

6. Evidence of need will be balanced with ability of the project area to respond to the
program of services offered by the Oklahoma Main Street Center as determined by
the Oklahoma Department of Commerce.

7. At least fifty percent (50%) historic or architecturally significant buildings in the
downtown which help establish a unified design image. These buildings provide a
backdrop and symbol for downtown revitalization and contribute to the unique
character of the downtown.
D. Time Requirements

Experience has shown that often new applicants do not realize the amount of time that will be required of volunteers in order to implement the Main Street program. It is essential that the board members realize what is expected of them; therefore, below is a list of some of the time requirements by the state and local program. Many of these meetings are mandatory for the program manager and board members to attend. Some meetings are also recommended for other members of the organization to attend.

State Requirements:

<table>
<thead>
<tr>
<th>Time Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>Visioning and Orientation, held locally</td>
</tr>
<tr>
<td>Board Member Training</td>
</tr>
<tr>
<td>Committee &amp; Work plan Training</td>
</tr>
<tr>
<td>Other meetings as deemed necessary</td>
</tr>
</tbody>
</table>

Meeting facilities needed will vary depending upon the type of assistance being provided. The local Main Street organization is responsible for making all arrangements based on the State's instructions.

Local Requirements:

Local Board and Committee work requires a minimum of 4 to 10 hours per month and attendance to training sessions described above.

A successful Main Street program requires dedication and hours of hard work.
