Oklahoma Main Street Announces 2019 Board Members of the Year

(Oklahoma City, Okla.) – The Oklahoma Main Street Center recognized 23 outstanding individuals during the 30th Annual Main Street Awards Banquet, May 9, at the Embassy Suites Downtown Medical Center Hotel.

The Board Member of the Year was established to recognize the enormous commitment of the thousands of Main Street volunteers from across the state. One board member from each Main Street program is selected each year to be honored. These individuals are active in their local programs and have made exceptional commitments of time and energy to historic district revitalization during the past year.

“We know from experience that with enough people engaged in Main Street’s work, anything and everything is possible,” said Buffy Hughes, director of the Oklahoma Main Street Center. “The real strength of Main Street lies in the people that give of their time, share ideas and donate their dollars to implement positive change in their communities. We are honored to recognize this collective group of outstanding volunteers.”
