BIOGRAPHY

On December 14, 1946, in Knox County, Tennessee, Ezadana and LeRoy Allen brought a son into the world. They named him Tede Leon Allen. In 1964 Ted graduated from Karns High School in Knoxville, TN. Ted received a

bachelor's degree in geography from East Tennessee State University.

After he married Caye Lynne Bost, they made their home in Norman, OK with their six children: Jill, Gretchen, Spencer, Meghan, Rachel Goodlowe and Austin. Ted worked for HUD for a total of seven years. In his spare time Ted loved to garden and spend time with his family. Over the years, Ted was fortunate enough to coach several of the sports teams his children were a part of. Anyone who knew Ted knew how proud he was of his pickup, better known as "The Shrine."

Ted was a tall man with a big heart and gentle manner. Ted had the uncommon ability to communicate with anyone he encountered and, believe me, he could eat hot peppers with the best of them!

David Jack Walker was born July 26, 1940, at St. Anthony's Hospital in Oklahoma City, OK to Okla and Robert Walker. David graduated from Choctaw High School. Later, he received a degree in Civil Engineering at Oklahoma State University. David had three children: Leann, Jacqueline and Jennifer. In 1990 David married Janet Kay Ehrlick. David worked for HUD for 10 years where he served as Environmental Officer for Community Planning and Development. Family was important to David. He enjoyed spending time hunting and fishing with his three daughters and coaching Little League. David was active in his church where he was a Sunday School teacher. David was very determined in everything he did and looked forward to challenges. One thing is for sure, if you ever told David something couldn't be done, he would do his best to show you it could be.
